OFFICE OF THE REGISTRAR

November 6, 2026

Dear AUB Students and Professors,

The Fall 2026-27 final examination schedule is now available at the following links:

By Date

By Course

The final examination schedule must optimize the schedules of all students, ensuring that no student has a scheduled final examination in one class at the same time she or he has one in another. It ensures that final year courses with potential graduates have their examinations early in the schedule, and it makes sure that students have a sufficient break between each of their examinations.

As you can imagine, with nearly 10,200 students attending courses at AUB, this presents an optimization challenge. When we receive preferences from professors, we try to accommodate them, but it is not always possible to do so and also maintain the optimization. Respecting your scheduled examination time will ensure that the final examination period runs smoothly.

Please remember that you are expected to remain on campus throughout the final examination period seeing that unexpected events can occur that require us to reschedule examinations.

If you have any questions or queries, please send an email to finalexams@aub.edu.lb or call 2570. Thank you for your collaboration and understanding.

Kind regards,

Office of the Registrar
