## MISSION STATEMENT

The American University of Beirut (AUB) is an institution of higher learning founded to provide excellence in education, to participate in the advancement of knowledge through research, and to serve the peoples of the Middle East and beyond. Chartered in New York State in 1863, the university bases its educational philosophy, standards, and practices on the American liberal arts model of higher education. The university believes deeply in and encourages freedom of thought and expression, and seeks to foster tolerance and respect for diversity and dialogue. Graduates will be individuals committed to creative and critical thinking, life-long learning, personal integrity and civic responsibility, and leadership.

## MESSAGE FROM PHILIP S. KHOURY, PHD

*Chairman of the Board of Trustees*

Our university has faced many crises in its 154-year history. It has always survived because of the solidarity of its trustees, faculty, staff, students, alumni, and friends and their shared belief in the mission and values of AUB. The global AUB family came together in support of our university again in 2019-20 providing extraordinary support for AUB during a critical period. We received exceptional contributions for student scholarships and needy patients seeking care at our medical center, our priority during this difficult period.

I am very proud to be able to report that the members of the Board of Trustees led the way in 2019-20 as they have done every year, year after year. Of the \$69.4 million that was raised between July 1, 2019 and June 30, 2020, 44 percent (\$30.7 million) was from trustees or trustee affiliations. This is truly an extraordinary percentage. It also does not begin to capture the contributions of individual trustees who volunteer long hours in support of AUB. Their commitment and dedication to our university is inspiring – and invaluable.

The contributions that we received in 2019-20 support BOLDLY AUB: The Campaign to Lead, Innovate, and Serve. Thanks to the support of all of you, we have so far raised \$603 million toward our goal of \$650 million. This includes \$70 million received by AUB's Office of Grants and Contracts, primarily for student scholarships from international foundations. The money that AUB has received during the BOLDLY campaign has been used to dramatically increase our financial aid budget enabling us to support a record number of students

who are struggling to pay their tuition fees; to fund faculty and student research; and to renovate classrooms, laboratories, and student residences. This investment is already earning dividends as can be seen in the number of AUB faculty members receiving global recognition for their research. Our students also benefit when they are taught by faculty who are both gifted teachers and active researchers. The research, which would not be possible were it not for the investments that we have made in capital projects, also benefits Lebanon and the region.

We are enormously fortunate that our university is being led during this unprecedented period

by an exceptional team of skilled and dedicated administrators and scholars under the leadership of President Fadlo R. Khuri. They have worked tirelessly to steer our university safely through a perfect storm created by the unprecedented collapse of the Lebanese economy and a global pandemic. The period that lies ahead will be another time when the university will be tested, but the Board of Trustees is confident that the university has the leadership, the talent, the commitment, and sense of shared purpose to enable AUB to continue fulfilling the purpose for which it was founded: to provide transformative education, research, and service to Lebanon and its region.

One of the highlights of this past year – and there were many – was the launch of the AUB Clock Tower Society to recognize individuals who have made planned gifts to AUB. The launch of this society is part of a new and sustained planned giving initiative that we expect will secure important resources for AUB today and into the future. The society is named for the clock tower on College Hall, the oldest building on the AUB campus, and a symbol of AUB resilience. This iconic building, which was built in 1871, was destroyed by an explosion in 1991, and rebuilt in 1999 with generous assistance from alumni and friends.

Although the Clock Tower Society is new, planned giving has provided important support to AUB from its very earliest days – and during critical periods, such as this past year. In fact, some of the earliest gifts to our university came in the form of bequests. AUB has continued to receive important funding in the form of bequests, annuities, trusts, and IRA

contributions over the years both in the US and in the Arab world.

Wherever I go, I meet people who tell me how important AUB is to them personally and also to Lebanon and the region. AUB's legacy is second to none. It is important that we build on this legacy and continue to strive to set high – very high – goals for ourselves. This is what we will do. As President Khuri wrote recently, "We are confident that AUB will continue to be a sustainable, relevant, and inclusive example for others to follow and – in doing so we can serve those less fortunate and create opportunities for those who can in turn ensure a better life for others."

Leading, Innovating, and Serving – these are the three pillars that we identified when we celebrated AUB's 150th anniversary and launched the BOLDLY AUB campaign in January 2017. These are the pillars that will guide us during this challenging period. We must ensure that AUB can continue motivating future generations to become the thoughtful, creative, and inspired leaders that this region and the world so desperately require. We need your help – now more than ever.

Thank you.

*Philip S. Khoury*

## MESSAGE FROM FADLO R. KHURI, MD

*President*

It has been an extraordinarily challenging year – an Annus Horribilis, with forest fires and nationwide protests in fall 2019; the devaluation of the Lebanese currency; the decision by the Lebanese government in March 2020 to default on its debts for the first time in 100 years; COVID-19; and massive financial losses and deflation affecting everyone in Lebanon – including our university.

Universities around the world had to drastically reduce budgets and furlough some faculty and staff as a result of the COVID-19 pandemic and associated global recession. As a university in Lebanon, our challenges were – and are – much greater due to the collapse of the Lebanese economy, which began before the arrival of COVID-19, and then continued to accelerate. Due to a shortfall in revenues from patient fees,

AUB incurred real losses of \$27 million in 2019-20. Because of the severity of the economic situation in Lebanon, we know that the next several years will also be difficult.

We cut expenses substantially in all areas, imposing a hiring freeze, halting building projects, ending all but essential travel, and instituted other areas of austerity. Despite this, we were, unfortunately, left with no choice but to make the profoundly painful decisions to lay off staff and approve faculty departures. Thanks in part to the many contributions we received from the people listed in this report, we were able to reduce the number of people we had to lay off significantly. The support of AUB trustees, who have shone in their double role as sagacious overseers of the university's affairs and our most committed and passionate supporters and partners,

enabled us to provide a sliding scale of generous severance packages to all staff members who were laid off – far beyond what we were legally required to do. The severance packages included, depending on years of service, up to 24 months' salary for those who served AUB for 25 years, expanded access to our healthcare system, continued education for the children of our departing staff members who are currently enrolled at the university, and the creation of an AUB talent pool for the future.

Our priority throughout this year has been – and will continue to be – to ensure that AUB not only overcomes current challenges, but that it emerges from this unprecedented period as “a more impactful, more inclusive, more relevant, and more sustainable institution.” I have no doubt that we will do so. We will continue to need your help for the long haul, in order to continue to transform AUB into one of the very finest universities in the Global South, and among the most impactful in the world.

As the list of donors in this Contributors Report attests, you have already given a great deal – responding generously to the three back-to-back fundraising appeals we launched in 2019-20: for the Student and Patient Solidarity Funds in November 2019, which raised \$9.9 million; for the AUBMC Corona Response Fund in March 2020, for which we received \$1.7 million; and for the AUB Emergency Fund in May 2020 that attracted donations totaling \$4.2 million as of the end of the fiscal year on June 30, 2020. We are continuing to solicit – and receive – urgently needed support for the AUB Emergency Fund.

Your response was a powerful testament to your deep appreciation for the singular role that AUB has played for 154 years, and to the critical role that only it can play in building a better future for the people of Lebanon and the region. Thanks to your philanthropy we raised more money for financial assistance for AUB students in FY 2020 – \$23.8 million – than during any previous year in our history. We set another record in FY 2020, receiving a total of 6,175 donations. The total amount we raised last year was \$69.4 million.

Your generous support for AUB was not the only good news in FY 2020. In September 2019, we inaugurated the Talal and Madiha Zein AUB Innovation Park (Zein AUB iPark). This far-reaching initiative will position AUB at the heart of an emerging entrepreneurship ecosystem that is so important to the future of Lebanon. It will also create opportunities for the next generation to propel the knowledge economy of the region, thereby elevating and diversifying the Lebanese economy. Initiatives such as the Zein AUB iPark are an important part of our vision for the future of AUB and for Lebanon.

Also, in September 2019, we rededicated one of two men's dormitories on campus: the iconic Penrose Hall. Originally built in 1961, and named for AUB's fourth president, the late Stephen Penrose, Penrose Hall was completely renovated to become a “green” building that is environmentally friendly and includes important sustainability features. The new Penrose Hall, which received LEED Gold certification (the first LEED Gold certification for a renovated building on campus), is a wonderful place

for our students to live and work. This renovation project is also a compelling demonstration of our university's commitment to be more environmentally friendly and energy efficient.

Another highlight of 2019-20 was the truly exceptional response of our university to the COVID-19 pandemic. In less than 10 days, a remarkable team at the AUB Medical Center established a new clinical center. The Pandemic Evaluation Clinic and Center (PECC) was the focal point for AUB's clinical response to the novel coronavirus pandemic.

A major achievement, in spite of overwhelming odds, was the dramatic improvement in AUB's ranking in the 2021 QS World University Rankings. Our university is now ranked #220 in the world, putting it among the top 19 percent of the 1,002 universities ranked by QS in 2020. AUB has also risen by more than 200 slots in the Times Higher Education rankings to the top 301-350 in the world. These both represent AUB's best rankings in these categories over the last 30 years.

Perhaps what was most remarkable about last year, however, was the way in which our AUB community came together day after day to do what we are here to do: educate students and care for patients. I am enormously proud of and thankful for the 1,809 undergraduate students who earned their bachelor's degrees, and the 543 who gained master's degrees, PhDs, and MDs, in June 2020. We congratulate especially the members of the MD Class of 2020. Of the 75 medical graduates who applied to US postgraduate programs in

spring 2020, 63 were matched in top US residency programs. This is the highest percentage (84 percent) in AUB's recent history.

Although we were not able to celebrate Commencement 2020 on the Green Field in June because of the COVID-19 pandemic, we organized socially-distant graduation ceremonies for the Rafic Hariri School of Nursing and the Faculty of Medicine – and hope to be able to organize graduation ceremonies for AUB's other five faculties in September.

Last summer, I re-read *The Plague*, a wonderful allegorical novel by the Nobel Laureate Albert Camus. This powerful novel ends with a message of hope: "What we learn in time of pestilence: that there are more things to admire in men than to despise." This past year has indeed been a "time of pestilence," but throughout we have seen many "more things to admire in men – and women – than to despise." In these dark days, so many people are looking to our university, as they have done on so many other occasions during our history, as a beacon lighting the way to a better tomorrow. We will not disappoint them. This great university, which has endured so much, and whose character has been tested on so many occasions, will be here to educate the best and the brightest for at least another 150 years, and will expand its role to ensure that not only individuals but the societies and the peoples of Lebanon and the region may have life and have it more abundantly.

## BOLDLY AUB:

### The Campaign to Lead, Innovate, and Serve

- We will LEAD by producing thought-leaders and community leaders with the passion and drive to effect significant and meaningful change.
- We will INNOVATE by keeping AUB at the forefront of groundbreaking movements and ideas in the MENA region and beyond.
- We will SERVE the communities around us, near and far, through outreach, research, and leadership in healthcare.

In January 2017, AUB President Fadlo R. Khuri announced **BOLDLY AUB: The Campaign to Lead, Innovate, and Serve**. This \$650 million fundraising campaign, the largest and most ambitious in the history of the university, and indeed in the entire region, is a testament to AUB’s enduring commitment to serve the peoples of the Middle East and beyond – a commitment that has defined our history and anchors our plans for the future.

The year that ended on June 30, 2020 was extraordinarily challenging due to the collapse of the Lebanese economic and banking systems and the impact of the COVID-19 pandemic. These circumstances prompted us to launch global fundraising appeals on three different occasions. In November 2019, we launched a Solidarity Appeal to raise money for student scholarships and to assist needy patients seeking care at our medical center. You responded – contributing \$9.9 million (\$7.4 for current and endowed scholarships and \$2.5 million for needy patients). In March 2020, we established the AUBMC Corona Response Fund to support our response to the COVID-19 pandemic, and the creation of a dedicated Pandemic Evaluation Clinic and Center (PECC) at AUBMC to provide screening and patient care. You responded again – contributing \$1.7 million.

The combination of the economic situation in Lebanon and COVID-19 had a profound impact on our university – causing what President Fadlo R. Khuri described in a message to the AUB community on May 5 the “greatest crisis since the university’s foundation in 1866.” We launched a third appeal in FY 2020 for current and endowed scholarships, needy patients, and for staff and faculty. You responded again – contributing \$4.2 million.

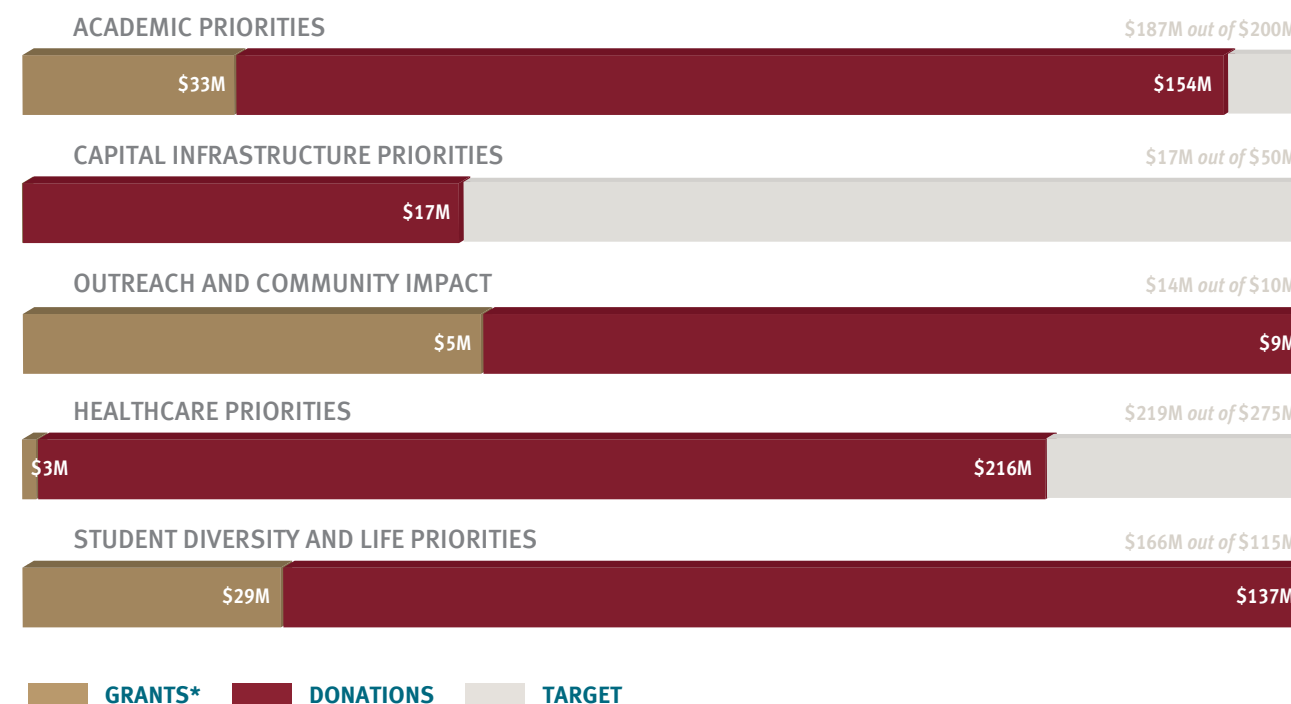

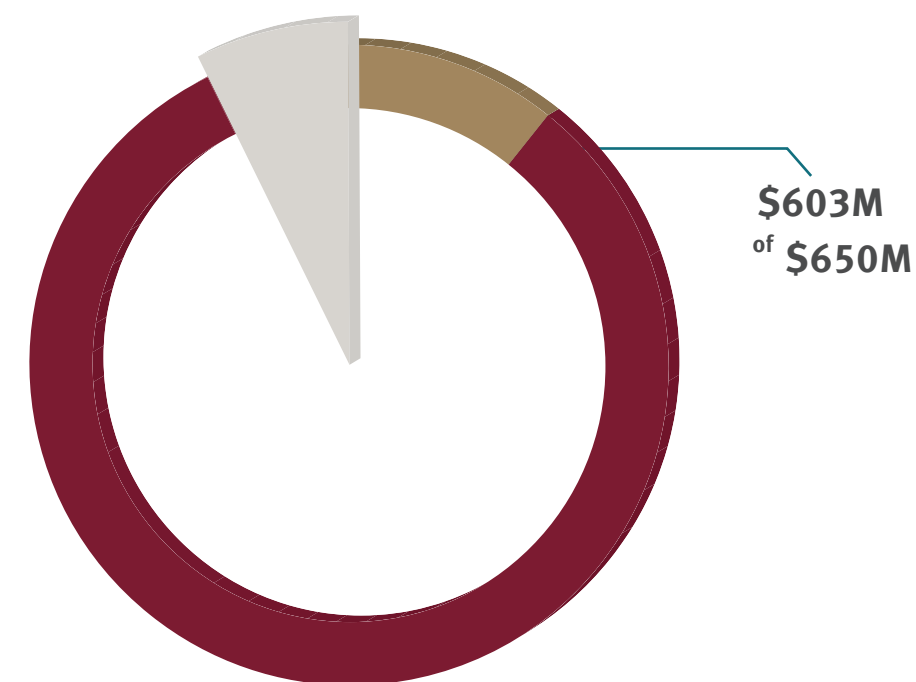

The success of the three global fundraising appeals is a tribute to all of you who are listed in this report – and far exceeded our expectations.

- We received a record number of gifts in FY 2020 (July 1, 2019-June 30, 2020): 6,175.
- We also raised more money for financial aid in 2019-20 than in any other year in our 154-year history: \$23.8 million, more than double the amount of money we raised for financial aid in FY 2019.
- We also raised a larger proportion of money from first-time donors (28 percent) than at any other time in our history.
- We achieved unique opens for our fundraising appeals ranging from 33 to 45 percent.

Thanks to your extraordinary generosity, we have raised \$603 million toward our \$650 million campaign target, including \$70 million through the Office of Grants and Contracts. Of the \$603 million raised as of June 30, 2020, \$187 million is for Academic Priorities, \$17 million is for Capital Infrastructure, \$14 million is for Outreach and Community Impact, \$219 million is for Healthcare Priorities, and \$166 million is for Student Diversity and Life Priorities (which includes scholarships).

## CAMPAIGN PROGRESS

As of June 30, 2020

## ABOUT OUR TRUSTEES

“It is probably rare in the history of education, certainly in the history of missionary education that an institution has been so generously provided for as has our own by the loyal support of the trustees.” This tribute to our trustees was written by AUB’s first president, Daniel Bliss, in his 36<sup>th</sup> annual report to the Board of Managers of the Syrian Protestant College (the original name of AUB) on July 9, 1902. It could have been written by any of AUB’s 15 presidents since then. It is also a sentiment that has been expressed often by current Board of Trustees Chair Philip S. Khoury. In his message in the 2019 Contributors Report, for example, Khoury wrote about his pride “that so many trustees are among our most generous contributors. Our university is enormously

fortunate,” he continued, “to benefit from the wisdom and experience of this extraordinary group of men and women. They truly lead the way.”

Throughout our history, AUB trustees have played an exceptionally important role at our university. They are consistently among our most generous supporters. Trustees and trustee affiliations have, for example, contributed 37 percent of the \$603 million that AUB has raised since the start of the BOLDLY AUB campaign until June 30, 2020. Trustees have contributed to each and every campaign priority: academic, healthcare, capital and infrastructure, student diversity, and community outreach.

Their financial contributions are invaluable – providing urgently needed funds that support student scholarships, that enable us to respond quickly and effectively to unexpected circumstances such as the COVID-19 pandemic, and for new initiatives. In 2002, for example, AUB launched the Fingerprints initiative to encourage graduating students to make a donation of at least \$25 to support an endowed scholarship fund that would benefit future AUB students. A key to the success of that initiative is the matching funds that have been provided by AUB trustees each year. This participation has encouraged graduating students to give – and to give more – making Fingerprints an exceptionally successful engagement and fundraising appeal. The Fingerprints Endowed Scholarship is now valued at more than \$2 million and has provided almost \$750,000 to help support the education of 307 AUB students.

In 2018, AUB organized its first Giving Day. The results far exceeded our expectations: 1,051 donors from 26 countries, 34 US states (and DC), and 7 Canadian provinces contributed \$661,822. AUB’s Giving Day 2018 also earned

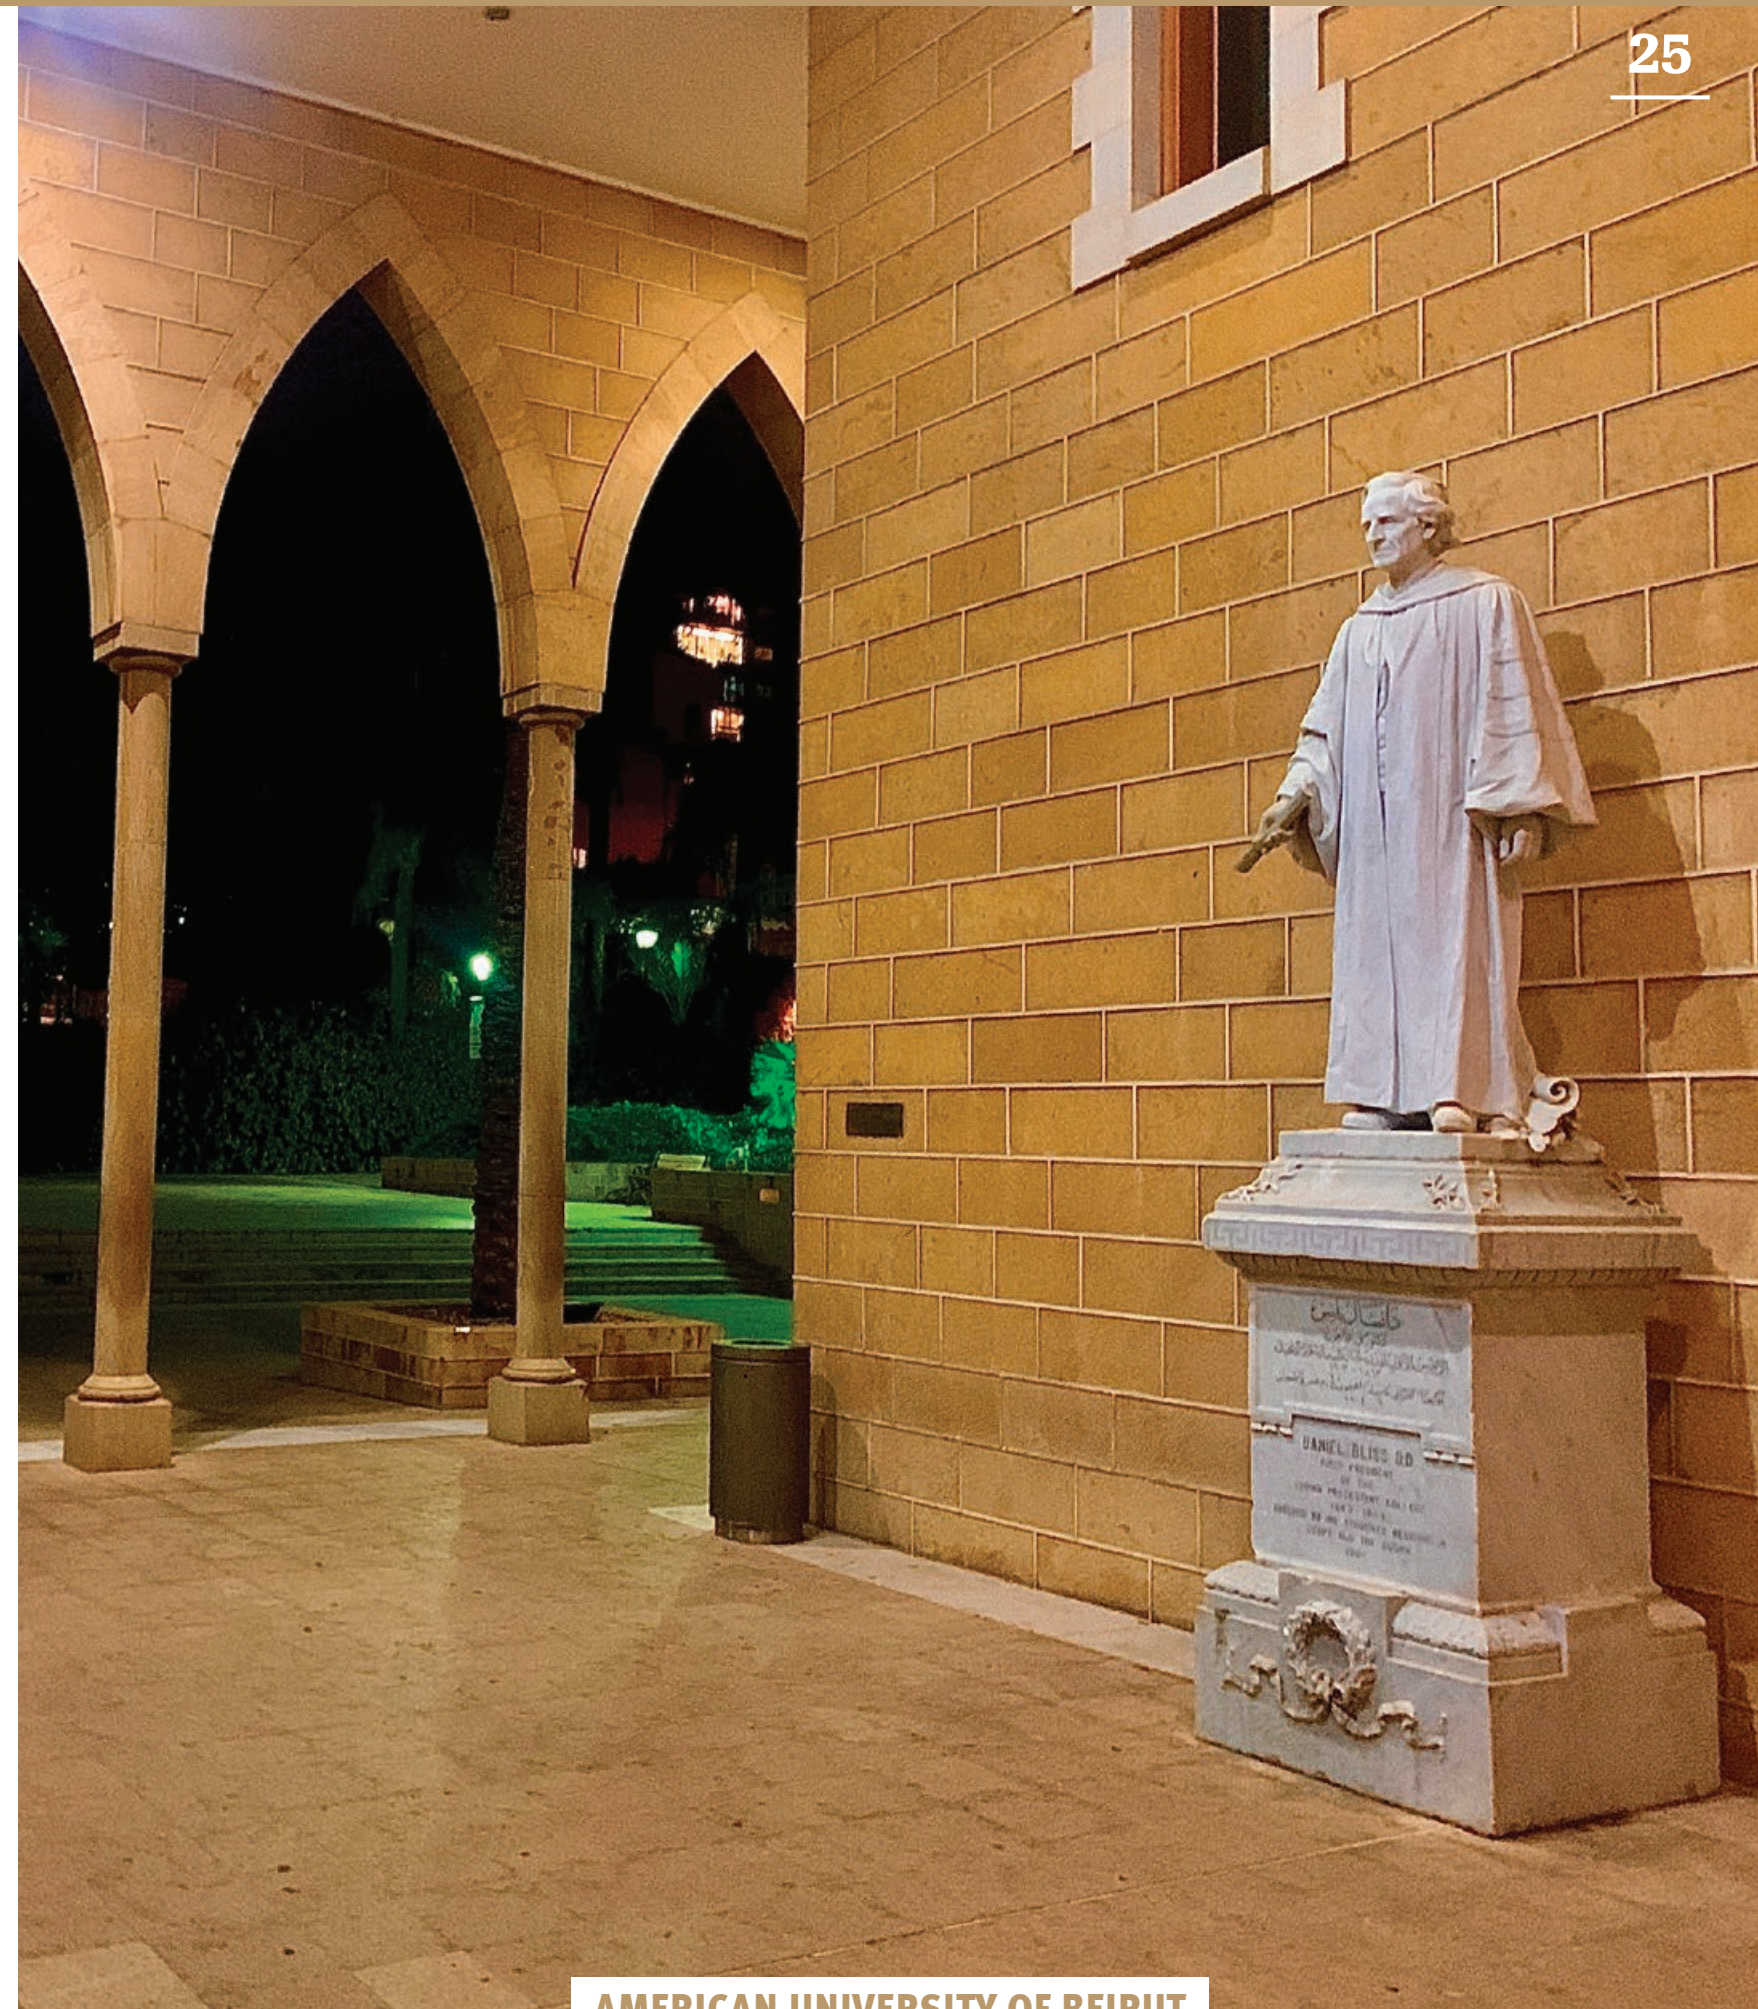

global recognition, being selected as a finalist for a 2020 CASE Platinum Award in two categories: Best Practices in Digital Communications and Best Practices in Fundraising. Here again, AUB trustees played a critical role: Five of the seven donors who made matching gifts to support Giving Day and encourage others to participate were AUB trustees.

Our trustees’ philanthropy is exceptional. They contribute to our university in many other ways as well – providing wise counsel and working with senior leadership to identify new opportunities. Some AUB trustees have a long relationship with our university – in some cases dating back generations when their parents or grandparents attended AUB. Other trustees join the board because they value its role as an institution that, in the words of President Khuri, gives “hope to the hopeless, opportunity to the unfortunate, [and] learning to the deserving.” All trustees share an abiding commitment to AUB’s mission “to provide excellence in education, to participate in the advancement of knowledge through research, and to serve the peoples of the Middle East and beyond.”

## SOLIDARITY APPEAL

Come together  
in support of AUB  
and its enduring  
commitment to  
Lebanon

The nationwide demonstrations in Lebanon in fall 2019 exacerbated already very difficult economic circumstances and affected everyone in the country – including the families of current and prospective AUB students and patients seeking care at our medical center. Many people lost their jobs, were paid only a portion of their salary, and/or were not paid at all. Banks imposed restrictions on how much money depositors could withdraw, or transfer abroad, from their accounts. They also cancelled some loan agreements, including loans that had been extended to current AUB students.

AUB launched a worldwide [Solidarity Appeal](#) on November 27, 2019 to raise money for a Student Solidarity Fund to assist current AUB students, who were unable to pay their tuition fees, and a Patient Solidarity Fund to benefit needy patients seeking care at the AUB Medical Center. For the first time, we sent fundraising appeals not just in English, but also in Arabic, Spanish, and Portuguese.

Alumni and friends responded generously contributing \$9.9 million.

## AUBMC CORONA RESPONSE FUND

The American University of Beirut Medical Center (AUBMC) worked closely with the WHO, Lebanese Ministry of Health, and other public health officials in Lebanon from the earliest stages of the outbreak of COVID-19 to develop and implement the most appropriate measures to maintain the safety of the community including our patients, students, and employees. AUB established a Pandemic Evaluation Clinic and Center (PECC) at AUBMC to provide screening and patient care for those needing intensive, intermediate, or regular care.

To help AUB deal with the pandemic, the university launched an appeal for the [AUBMC Corona Response Fund](#) to receive contributions from donors who wanted to support the ongoing operations of the PECC. Proceeds from the fund totaling \$1.7 million were used to purchase medical equipment, personal protective equipment, and testing kits; to support PECC operations; and for patient care.

## AUB EMERGENCY FUND

On May 5, 2020, President Fadlo R. Khuri sent a message to the AUB community to say that, as a result of the collapse of the Lebanese economy and the global recession triggered by the COVID-19 pandemic, “AUB is facing perhaps its greatest crisis since the university’s foundation in 1866.” He went on to say that AUB would overcome current challenges and “emerge a more impactful, more inclusive, more relevant, and more sustainable institution.”

On May 9, 2020, AUB launched a fundraising appeal, the third in less than six months, for an [AUB Emergency Fund](#). Proceeds from this fund are being used to support the most vulnerable members of our AUB community of students, staff, faculty, and patients, and help assure the survival of the university and its medical center.

During the fiscal year that ended on June 30, 2020, AUB raised \$4.2 million for the AUB Emergency Fund.

## CLOCK TOWER SOCIETY

Throughout its history, AUB has received generous legacy gifts. These gifts have been important resources for AUB and enabled it to overcome many challenges during its history, including the challenges we faced this year.

In 2019-20, AUB established the AUB Clock Tower Society to recognize and thank donors who have made a planned gift to AUB and/or included the university in their estate plans.

The society is named for the clock tower on the AUB campus, an iconic landmark and the pinnacle of the oldest building on the AUB campus, College Hall, which was completed in 1873. The bell in the College Hall clock tower rang for the first time in March 1874.

Throughout AUB history, College Hall has been identified more than any other building on the AUB campus with the university's resilience and its abiding commitment to, in the words of our founder Daniel Bliss, "develop in its students the love of truth and the desire to do right."

## FINGERPRINTS

Despite the challenging economic and financial situation in Lebanon and the COVID-19 pandemic, which made it impossible for students to meet in person, a small cohort of graduating students were eager to do what they could to support the Fingerprints Endowed Scholarship Fund – and to urge their classmates to do the same. “We’re all facing challenges, each in our own way,” said one member of the Class of 2020. “However, we can try and complete each other’s missing piece of the puzzle. Supporting Fingerprints was an opportunity for me to do so for fellow AUB students.”

The students who contributed to Fingerprints in 2020 join the more than 16,040 graduating students who have made contributions to support this

student-led endowed scholarship fund since it was established in 2002 by the Office of Development in coordination with the Office of the Dean of Student Affairs and the University Student Faculty Committee (USFC). Because Fingerprints is an endowed fund, the money that is contributed each year by graduating students, the USFC, and AUB trustees is invested. Only a fraction of the income that the fund earns is distributed thereby ensuring that there will always be a Fingerprints Endowed Scholarship Fund at AUB – a permanent memorial to the generosity of AUB students. The Fingerprints Fund, which is now valued at over \$2 million, has so far provided scholarships worth more than \$729,000 to 307 AUB students.

Some of the students who have received Fingerprints scholarships have gone on to become Fingerprints donors. Levon Souvalian, who graduated in 2019 with a degree in chemistry, spoke about his experience. “My journey at AUB would not have been possible without the financial aid that I received from the Fingerprint Endowed Scholarship Fund,” he said. “The Fingerprints Program feels like a family to me since the money raised is from fellow students, and it is just an amazing feeling to be part of a generous community like AUB, where we are taught to help each other out. For this reason, I decided to contribute to Fingerprints.”

The 2020 Fingerprints campaign was once again supported by the USFC and AUB alumnus and trustee, Fouad Es-Said (BA ’96). In previous years, the late Kamal Shair (former student), Ali Ghandour (former student), Farouk Jabre (BA ’58), Omar Alfardan, and Randa Haffar (BA ’90), all AUB trustees, have provided generous matching funds for Fingerprints.

“AUB students are like family to me,” said graduating student and Fingerprints donor Zeina Bazarbachi. “What a shame it would be to lose brilliant members of this family because they couldn’t afford to stay, especially in 2020. Fingerprints gave me the opportunity to help.”

Both of my parents lost their jobs because of the hard socio-economic circumstances Lebanon was – and is still – going through. Without Fingerprints, I wouldn't have been able to cover my semester fees. Thank you so much for your support. It'll definitely not go unnoticed.

With the aid of my fellow AUBites, I am able to realize my potential and follow the joyful and liberating path of education. With your help and cooperation, we are able to build a new generation of educated intellectuals who will be the light at the end of the very long tunnel in Lebanon.

## PARENT PROGRAM

Parents have a special relationship to any university where their children are students. The fact that many AUB parents – and grandparents – are also AUB alumni is a great source of pride for our university.

Parents support their children in many ways. Some parents are able, and also want, to do more to benefit their children's university and become generous donors. Their gifts provide essential funding for AUB's scholarship program, research laboratories, extracurricular activities on campus, and capital projects.

We salute our parent contributors – especially those (highlighted in the list below) who have made gifts in each of the last three years. Thank you!

## CLASS REUNION 2020

AUB's first ever E-Class Reunion was a great success. It began with a welcome message from President Fadlo R. Khuri on July 6 to AUB's worldwide alumni. Khuri congratulated especially the members of the Classes of 1970 and 1995 who celebrated 50<sup>th</sup> and 25<sup>th</sup> reunions in 2020.

During the week that followed, there were a series of virtual talks and panel discussions with each of AUB's seven academic deans covering a wide range of topics from the future of higher education to news from the faculties and updates on the situation in Lebanon. The number of attendees was impressive: almost 1,400 alumni and friends from 31 countries registered to attend the virtual talks; almost half (47 percent) participated from outside Lebanon. There was especially strong interest in AUB's E-Class Reunion from more recent graduates.

One of the highlights of this year's reunion was the music. The performances by [Guy Manoukian](#) and [Joseph Attieh](#), recorded during Reunion 2019, were rebroadcast in 2020. They brought back wonderful memories of Reunion 2019 and were also enjoyed by alumni and friends who had not been able to attend Reunion 2019 on campus. There was also a very special performance by gifted violinist [Jihad Akl](#) – recorded at different spots on the AUB campus during COVID-19. Alumni enjoyed not just the medley of new and familiar tunes, but also being able to see their campus.

Twenty-seven Reunion 2020 participants made contributions to the Class Reunion Endowed Scholarship Fund, now valued at \$619,152. Proceeds from this fund have provided scholarships to 17 children of AUB alumni, enabling them to enjoy the AUB experience that their parents treasure.

## 1866 SOCIETY

The 1866 Society celebrates AUB's most loyal supporters – those who have made a gift to the university of any amount in at least seven of the last ten years. Their support is invaluable to our university helping AUB overcome challenges such as the ones we faced in 2019-20.

The society, which was named for the year that the university was founded, now includes almost 850 alumni, parents, faculty, staff, and friends. 1866 Society members receive a recognition pin when they reach certain milestones: a bronze pin for 7 years of support; silver for 10 years; gold for 15 years; and platinum for members who have contributed for 21 or more years.

## SCHOLARSHIPS AND FINANCIAL AID

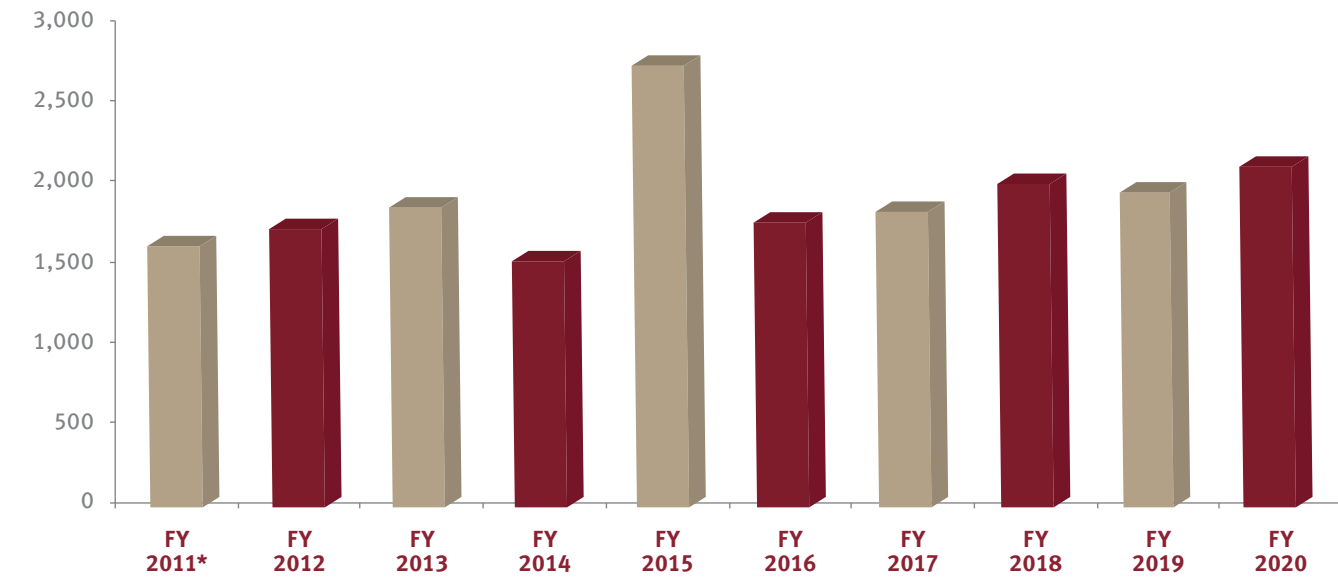

The number of AUB students receiving financial assistance has grown steadily in recent years. Almost 60 percent of all AUB students received some type of financial assistance in 2019-20 ranging from partial awards, to offset part of the cost of tuition, to scholarships that cover the full cost of tuition and related university expenses, such as accommodation, and a stipend. This includes the more than 43 percent of AUB students who are supported by financial aid allocated from AUB’s budget and donor-funded scholarships.

The need for financial assistance increased dramatically in 2019-20 due to the deteriorating economic circumstances in Lebanon. Despite the extraordinary challenges in Lebanon and the region, we received contributions totaling \$23.8 million for scholarships and financial aid in 2019-20 making it a record-breaking year!

The AUB Scholarship Fundraising Committee was formed originally as the College Hall Fundraising Committee to raise money to rebuild College Hall, which was bombed on November 8, 1991. That original campaign was successful raising almost \$20 million. College Hall was rededicated in July 1999.

The current committee is chaired by Mohammad Shatila (BEN '95) and includes prominent alumni and friends of AUB who fundraise for AUB's financial aid program. The need for financial aid was especially urgent in 2019-20 due to the economic collapse of the country, banking restrictions, the cancellation of student loans, and the economic impact of COVID-19 – all of which affected the families of AUB students. Scholarships are, as President Fadlo R. Khuri has noted, “the key to AUB’s continuing role as an inclusive and accessible difference maker in Lebanon and in the region.” AUB is committed to ensuring that no qualified student is denied an AUB education because of insufficient financial resources. Raising funds for scholarships is the mission of the AUB Scholarship Fundraising Committee.

Established in 2003 as a charitable fundraising initiative at the Children's Heart Center (CHC) at the American University of Beirut Medical Center (AUBMC), Brave Heart provides financial assistance for life-saving surgeries to underprivileged children diagnosed with Congenital Heart Disease (CHD). Brave Heart has funded treatments for over 4,030 inpatients in the last 17 years, including 196 inpatients in fiscal year 2019-20.

Brave Heart organizes various awareness and fundraising activities to raise funds for children's heart procedures and surgeries. These fundraising events came to an abrupt halt in the second half of FY 2019-20 due to the economic crisis and the outbreak of COVID-19. Brave Heart instead adopted an online crowdfunding and peer-to-peer fundraising strategy in 2020 to meet the pressing need for surgeries for children like baby Maha and little Nadine. During the lockdown, Brave Heart continued to provide life-saving treatments and surgeries, funding 44 urgent procedures.

While adapting to new digital fundraising methods, Brave Heart also launched 'Badda aleb la tsa'ed aleb' (It takes a strong heart to save a heart) in May 2020, an online and TV awareness campaign to address the urgent need for donations amid the pandemic and economic crisis. The campaign generated media coverage and was widely shared by regional influencers and Brave Heart goodwill ambassadors DJ Rodge and fashion entrepreneur Lana El Sahely.

During the first half of FY2019-20, Brave Heart friends and supporters organized events and projects to help save little hearts. In July 2019, Lebanon's favorite Indie band Adonis released its new album #12sa3a at the Jounieh International Festival and donated part of the proceeds to Brave Heart. In the same month, jewelry designer Sophie B launched gold-plated Brave Heart earrings exclusively for Brave Heart, contributing part of the proceeds to help children with heart disease. AUBMC's "Get Bowtied for a cause" team organized a bake sale to raise funds for little hearts in October 2019 and on December 5-7, 2019, the Lebanese Women Initiative's "Women Can" hosted its first Christmas Bazaar in support of Brave Heart.

The Brave Heart Fund is affiliated with the AUBMC Children's Heart Center; Dr. Fadi Bitar, Founding Director.  
The Office of Development liaison is Walid Katergi, Associate Vice President for Development. [WWW.BRAVEHEARTFUND.ORG](http://WWW.BRAVEHEARTFUND.ORG)

The Cancer Support Fund (CSF) is a charitable initiative at the Naef K. Basile Cancer Institute (NKBCI) at the American University of Beirut Medical Center (AUBMC). CSF was launched in March 2018 in response to a pressing need in the region where cancer rates are on the rise and patients lack a comprehensive support system that will assist them throughout their medical treatment journeys. CSF is dedicated to increasing public awareness of cancer while providing financial assistance, emotional support, and advice to patients who need help. The foundation provided assistance to 356 patients in 2019-20 enabling them to get blood tests, diagnostic imaging, surgery, chemotherapy, radiation oncology simulation, and psychotherapy support.

CSF organizes activities throughout the year. In December, CSF volunteers visited patients at the Adult Oncology Infusion Center to wish them happy holidays and present gifts. On the occasion of World Cancer Day on February 4, 2020, CSF organized a bake sale

and teamed up with the Naef K. Basile Cancer Institute – and with Durham University, the Lebanese American University, the Lebanese National Higher Conservatory of Music, and several NGOs working in the field – to promote the “I Am and I Will” campaign of the Union for International Cancer Control (UICC). This day-long event featured an overview of the Cancer Prevention and Control Program (CPCP) and what it has accomplished in the last two years, a series of trivia questions to increase knowledge about cancer, and a video installation in the lobby of the Halim and Aida Daniel Academic and Clinical Center building, created and directed by Dr. Lina Abiad and Dima Al Ansari. There was also a musical show, performed by the president of the National Conservatory, Bassam Saba, and tenor Ghada Ghanem.

The room was packed for the Beethoven – Where Hope Grows concert on February 21. Organized in collaboration with the Al Bustan Music Festival, it featured a performance by the internationally renowned pianist, Gloria Campaner, who serenaded cancer patients and guests with the Moonlight Sonata. “We are fighting cancer with music, we are beating sickness with art, today our medical combat doesn’t come with hospital instruments, today our battle is melodic,” explained CSF President and Founder Hala Dahdah Abou Jaber. This concert is one of a series of events that the CSF is planning to include art and music as part of the patient recovery journey.

The Cancer Support Fund is affiliated with the AUBMC Adult Cancer Institute; Dr. Ali Taher, Director, Naef K. Basile Cancer Institute. The Office of Development liaisons are Walid Katergi, Associate Vice President for Development, and Nada Charara, Associate Director of Development. [WWW.CSF-LEBANON.ORG](http://WWW.CSF-LEBANON.ORG)

The Focus Fund was established in 2016 to support child mental health at the AUB Medical Center (AUBMC). It supports a number of activities to promote child mental health including treatment at the AUBMC Division of Child and Adolescent Psychiatry for mental health conditions including intellectual disability (ID), attention deficit hyperactivity disorder (ADHD), autism spectrum disorder (ASD), anxiety disorders, depression, eating disorders, and learning disorders (LD).

Despite the limitations imposed by COVID-19 restrictions, the volunteer members of the Focus Fund were busy in 2019-20! They supported a second-year fellowship for an AUB medical student seeking to gain expertise in child psychiatry, an internship in clinical psychology for children and adolescents, and covered part of the salary of a psychotherapist so that these services could be made available to patients who would not otherwise be able to afford them.

The Friends of MS at AUBMC is an established group of committed volunteers that was launched in February 2012. It is working to increase MS awareness and to raise funds to support needy MS patients and MS-related research at the Nehme and Therese Tohme Multiple Sclerosis Center.

Since 2012, more than 300 needy MS patients have received financial support at the center for a wide range of services including lumbar punctures, blood studies, and radiology testing (MRIs, etc.).

Although the Friends group was unable to organize its usual annual activities in 2019-20 due to the COVID-19 pandemic and the economic recession, it was very active on social media during MS Awareness Month (May 15-June 13) publishing a number of short interviews tackling patient concerns.

Primary immunodeficiency diseases (PIDs) can be fatal – and require expensive treatments such as bone marrow transplants, routine laboratory tests, and monthly treatments. Even when they are not fatal, PIDs can lead to chronic illnesses due to recurrent infections, autoimmune diseases, and (sometimes) malignancies. The iFight PID Fund was established in 2017 by a group of volunteers to benefit children at the AUB Medical Center (AUBMC) who have been diagnosed with PIDs. It has helped 10 children traveling a difficult journey to overcome these diseases.

Despite the challenges of 2019-20, iFight PID at AUBMC was able to do a lot to help underprivileged children suffering from PIDs. The “superhero for a night” fundraiser on September 25, 2019 was a great success securing much-needed financial assistance for children suffering from PID across the country. In collaboration with HiCart.com, iFight PID launched an initiative to encourage donations of

The Lebanese Breast Cancer Foundation (LBCF) was established in January 2011 by Dr. Nagi El Saghir and a group of committed breast cancer survivors and volunteers to raise awareness about breast cancer, promote early detection, and to provide financial assistance to underprivileged breast cancer patients so they can receive the treatment they need. The foundation has supported more than 3,000 breast cancer patients since it was established, including 453 women in 2019-20.

LBCF organizes a number of events and sponsors initiatives throughout the year to raise awareness of the importance of screening for early detection of breast cancer. The annual “5 w bas Campaign,” which was launched in October, attracted a lot of attention. The focus was to remind women that it takes only five minutes to have a mammogram – and to encourage donors to contribute LL 5,000 to help needy breast cancer patients. Doctors, nurses, and breast cancer survivors took part in activities across Lebanon as part of the “5 w bas Campaign.” Another annual event is the highly-anticipated Patient Empowerment Workshop. Due to the COVID-19 restrictions, this year’s event took place online.

The Lebanese Breast Cancer Foundation is affiliated with the Breast Cancer Center of Excellence at the Naef K. Basile Cancer Institute at AUBMC; Dr. Nagi El Saghir, Director. The Office of Development liaison is Mariam Sabbah, Associate Director of Development.

The OpenMinds Fund was established in July 2013 by a group of concerned parents and friends to assist children with special needs. It supports the activities of the AUBMC Special Kids Clinic. Since it was established, it has helped 466 families, including 78 families who received assistance in 2019-20.

OpenMinds is currently pursuing two fundraising campaigns: #Ana3adi I, an innovative and exciting awareness campaign that highlights the necessity for genuine acceptance and inclusion of individuals with special needs, and #Ana3adi II, a social media campaign that was launched during the COVID-19 pandemic. #Ana3adi draws compelling parallels between the experiences of individuals with autism and the social distancing that was required of all of us during the global pandemic.

More than 450 people attended the September 2019 gala, which was sponsored by six generous contributors. Entertainment was provided by saxophonist Elie Irani and vocalist Dayana El Homsî. In his address on that occasion, President Fadlo R. Khuri lauded club members noting, "Time and time again, its members have stepped up to provide for the needs of this university." Over the years, the club has supported countless projects and initiatives to improve student life at AUB including renovating classrooms, investing in athletic facilities, and supporting cultural events.

The members of the President's Club stepped up last year as well – helping the university to overcome some of the unprecedented challenges that it faced as a result of the dire economic circumstances in Lebanon and COVID-19. One of the ways that it did this was to make a contribution to the AUBMC Corona Response Fund that was established to support AUB's response to the COVID-19 pandemic.

In 2019-20, the President's Club also supported the Zaki Nassif Music Program, by paying for the cost of renting the sound system for four performances by the Zaki Nassif Arabic Music Ensemble. It also funded the renovation of Nicely 409.

Another important President's Club initiative is the Bench Campaign, which continues to attract support. Alumni and friends have so far adopted 116 benches on the AUB campus. There are still 15 benches for adoption. All proceeds from the Bench Campaign and all President's Club initiatives are used to enhance student life at AUB.

The Sickle Cell Needy Patients Fund was established in 2012 by a group of committed volunteers, donors, doctors, and healthcare providers to raise funds so that financially disadvantaged patients can benefit from the state-of-the-art care that the AUB Medical Center provides to all of its patients. The fund has helped the families of 360 patients since it was established in 2012, including 200 patient families in 2019-20.

Because of the political and economic situation in Lebanon – and the COVID-19 restrictions – the Sickle Cell Needy Patients Fund regrettably had to cancel several events and activities including a gala dinner in November 2019 and participation in the Beirut marathon. Dr. Miguel Abboud and his colleagues continued to care for patients throughout this period, however, and so fund volunteers were also busy providing patient support. The fund also arranged to translate documents from the Medical and Research Advisory Committee (MARAC) of the Sickle Cell Disease Association of America (SCDAA) into Arabic making them accessible to patients in Lebanon. These documents were also shared with patient organizations in the US, France, and Germany.

AUBMC's Sickle Cell Disease Program and the Sickle Cell Needy Patients Fund teamed up with the SCDAA on June 19, World Sickle Cell Disease Day, for a special event "[Shine a Light on Sickle Cell Disease 2020](#)" in front of College Hall, which was lit up in red for the occasion. Roula Safa was the MC for the event, which was live streamed on AUB social media outlets and attended by AUB President Dr. Fadlo Khuri, Interim Dean Dr. Ghazi Zaatari, and AUBMC Director Joseph Otayek. There were speeches by Dr. Abboud, Fund President Marwa Awad, patients Ali Hayek and Hiba Hamdanieh, and President Khuri.

The Sickle Cell Needy Patients Fund is affiliated with the AUBMC Department of Pediatrics and Adolescent Medicine; Dr. Miguel Abboud, Department Chairman. The Office of Development liaison is Walid Katergi, Associate Vice President for Development.

For the last 39 years, the Society of the Friends of the AUB Museum, which now counts 250 members, has been organizing and sponsoring various activities and events to spread knowledge of Lebanese and Near Eastern heritage.

Due to the situation in Beirut during the 2019-20 academic year, starting with the civil revolution in the fall and followed by the COVID-19 pandemic, the society was able to organize only one public lecture, by Dr. Bettina Fischer-Genz. Another highlight of the year was a very popular Children's Program activity, organized by an all-volunteer committee: "Make your Phoenician Ship." The society also issued a newsletter (Volume XXXIII, number 2) in January 2020.

There was a roundtable at the museum in February 2020 in honor of the publication of *Nuit de pleine lune sur Amurru: Mélanges offerts à Leila Badre*, which was presented for the first time at Sorbonne

University. The book is a collaborative effort featuring contributions by 34 international scholars.

The Society of the Friends of the AUB Museum made a very generous \$500,000 donation to the AUB Emergency Fund for student scholarships.

Thanks to the efforts of Executive Committee officers, the museum shop is thriving. The shop offers a rich, diverse, and creative selection of items. Whether you're looking for a gift for a special occasion or just a small memento of your visit to the museum, you're sure to find what you're looking for at the museum shop.

Membership dues and several of the above activities help to support and enhance the museum. You can read more about the museum and its activities in the very attractive newsletter, which the society publishes twice a year, on the museum's website: [www.aub.edu.lb/museum\\_archo](http://www.aub.edu.lb/museum_archo), and on its Facebook page: <https://www.facebook.com/AUB-Archaeological-Museum->

The Neonate Fund was established in 2011 by five mothers to financially assist families of premature and sick newborns in need of specialized medical care at the Neonatal Intensive Care Unit (NICU) at the AUB Medical Center (AUBMC). It has provided financial support to 523 patients to date.

Due to the increasing economic and political tensions in the country beginning at the end of 2019, it was not possible to organize major fundraising events such as the annual gala dinner. Other awareness activities and some fundraising initiatives were organized instead, thanks to the efforts of those who believe in and support the Neonate Fund.

In August 2019, a group of graduating students majoring in business and marketing organized a bake sale during their internship at Fattal Group, supported by the administrative team, to raise funds for the Neonate Fund. Another bake sale was organized by AUBMCares

medical students under the theme “Get Bowtied” in December. During this bake sale, the Neonate Fund team sold purple octopi that were donated to premature newborns in the NICU. The octopi were chosen very deliberately to convey a particular message. The tentacles of the octopus remind babies of their mothers’ umbilical cords. The soft knit bodies of the cuddly creatures are said to remind them of the womb thus helping babies to feel grounded and safe.

The Neonate Fund was active on the international level as well and participated in an international conference, the ICBD 2020 that was held in February 2020 in Colombo, Sri Lanka and organized by the March of Dimes (MOD) and the Center for Disease Control and Prevention (CDC) in the United States. A presentation during the conference highlighted the cause and mission of the Neonate Fund. Over a period of two weeks in March 2020, on the occasion of Mother’s Day and Children’s Day, Spinneys organized a campaign to raise awareness and donated a percentage of the baby section sales to the Neonate Fund.

The Neonate Fund is affiliated with the AUBMC Neonatal Intensive Care Unit; Dr. Khalid Yunis, Director.  
The Office of Development liaison is Walid Katergi, Associate Vice President for Development. [WWW.NEONATEFUND.ORG](http://WWW.NEONATEFUND.ORG)

## WOMEN'S AUXILIARY VOLUNTEERS

Women's Auxiliary volunteers organize many activities throughout the year and volunteer their time and expertise to support the coffee shop, hospital, and Bargain Box at the AUB Medical Center (AUBMC). Their goal is to raise money for patients in need and to promote the nursing profession.

Unfortunately, the economic circumstances in Lebanon, banking restrictions, and the impact of the COVID-19 pandemic made it impossible for Women's Auxiliary volunteers to organize their usual fundraising activities in 2019-20. Despite these obstacles, the Women's Auxiliary provided important support for needy patients at the medical center, scholarships and awards to nursing students, and a donation to the St. Jude Children's Cancer Center of Lebanon. The volunteers are looking forward to resuming their normal activities in 2020-21.

Since its founding in December 2004, the Zaki Nassif Program for Music (ZNPM) has worked steadily to preserve and promote the musical heritage of legendary figures focusing especially on Zaki Nassif. By regularly organizing concerts, conferences, and competitions, the program has introduced younger generations to the wonderful Lebanese and Oriental music of the golden era (1950-75), thus promoting this music's powerful impact on the collective conscience and history of our people.

ZNPM concerts have always attracted large and enthusiastic audiences. Unfortunately, because of political disruptions and COVID-19, most of the monthly in-person events that had been planned as part of the yearly festival, Remembering and Discovering, were cancelled. ZNPM was determined, however, to keep the program alive despite these challenges. Below are details of some of the highlights from last year.

On the occasion of the 50th anniversary of the first person landing on the moon and in partnership with the Physics Department and the General Education Program in the Faculty of Arts and Sciences, ZNPM organized Ya Qamar Mashgharah under the full moon on Friday, August 16, 2019. It featured a cultural evening with lectures on the moon and accompanying music beautifully performed by the up-and-coming RAND group of Youssef, Lili, and Jamale Abou Hamad.

On Wednesday, February 19, 2020, shortly before COVID-19 required everyone to stay at home, the program's Arabic Ensemble, with a number of talented young musicians from the Conservatoire, performed under the baton of Maestro Fady Yaqoub. Steadfast with our Heritage was a beautiful livestreamed concert synthesizing the music of the golden era.

Also on February 19, ZNPM launched *Min Alhan Zaki Nassif*, a book of 80 Zaki Nassif compositions covering all of the musical themes reflected in his work: patriotism, folklore, romanticism, mouwashahat (musical poetry), love of nature, religious hymns, and children's songs. The book launch was accompanied by a seminar that featured talks by Holy Spirit University of Kaslik's musicologist Father Badi' Al Haj, calligrapher Samir Sayegh, and editor Sleiman Bakhti.

During the COVID-19 lockdown, the program produced an impressive online techno-performance, Chtikna La Lebnan, by the Arabic Ensemble conducted by Maestro Yaqoub. The performance was a big hit with the worldwide AUB community, particularly its alumni, and widely circulated on social media platforms.

# WAAAUB CHAPTERS, BRANCHES, AND ALUMNI GROUPS

One of AUB’s great strengths is its worldwide alumni. They embody the values that define our university: personal integrity, civic responsibility, and leadership. They are also AUB’s greatest and most generous supporters. Time and time again, they have stepped up to support their alma mater during challenging times. This was especially true in 2019-20. Alumni chapters raised urgently needed funds for student scholarships and needy patients seeking care at our medical center, volunteered for the AUB Alumni Mentoring Platform as mentors for students and alumni, helped current students secure internships, and guided graduating students starting out on their careers.

The Worldwide Alumni Association of AUB (WAAAUB) is the university’s global alumni organization. Its 64 chapters in 116 countries around the world work closely with AUB’s Office of Alumni Relations in Beirut and North America to support the university – and also its alumni – helping to nurture a relationship that the university treasures.

In fall 2019, WAAAUB held elections for nine elected positions on the Advisory Board, which also includes nine alumni appointed by the president. The 18-member Advisory Board is part of the recently reorganized structure of WAAAUB, which includes a general secretary and a Chapters Council made up of the presidents of alumni chapters. The mandate of the Advisory Board is to provide counsel and support to AUB on issues related to alumni relations. It held its inaugural meeting on May 27, 2020.
