# MISSION STATEMENT

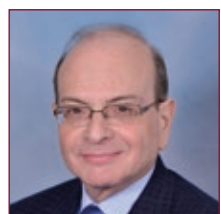

The American University of Beirut (AUB) is an institution of higher learning founded to provide excellence in education, to participate in the advancement of knowledge through research, and to serve the peoples of the Middle East and beyond. Chartered in New York State in 1863, the university bases its educational philosophy, standards, and practices on the American liberal arts model of higher education. The university believes deeply in and encourages freedom of thought and expression, and seeks to foster tolerance and respect for diversity and dialogue. Graduates will be individuals committed to creative and critical thinking, life-long learning, personal integrity and civic responsibility, and leadership.

## MESSAGE FROM PHILIP S. KHOURY, PHD

Chairman of the Board of Trustees

I am delighted to have this opportunity to write to all of you about our university. We have a lot to celebrate – despite ongoing and formidable challenges in our eternal home, Lebanon. The members of our Board of Trustees have once again risen to the occasion providing strong support to President Fadlo Khuri and his exceptional team of academic deans and senior administrators.

One of the highlights of the 2022-23 academic year was the laying of the foundation stone for the American University of Beirut – Mediterraneo in Pafos, Cyprus on June 7, 2023. The decision to open a campus in Cyprus was not one we took lightly. It is always a challenge to establish a new institution of higher learning, but it is especially challenging to build a new institution that can hold itself to the same standard of excellence we insist upon at the American University of Beirut – a standard we have established in Lebanon for the past 157 YEARS. AUB's first twin campus outside Lebanon builds on AUB's strategic vision, VITAL 2030, which was adopted by the Board of Trustees in June 2020, to ensure AUB's future success, relevance, and sustainability over the next decade and beyond. AUB Mediterraneo, which bases its educational philosophy, standards, and practices on the American liberal arts model of higher education, will attract students from the Mediterranean basin, Europe, and Asia. It enables our university to have an even greater impact while at the same time strengthening the American University of Beirut in Beirut, Lebanon. We will be welcoming the inaugural cohort to AUB Mediterraneo in September 2023.

We are also continuing to invest in our home campus in Beirut. In June 2021, the Board of Trustees approved the disbursement of \$150 million over the next three years to help our university weather these unprecedented times. I am pleased and proud to report that this courageous and far-sighted decision has done

everything we hoped it would do – and more. Our university is stronger now than it has been for many years and is well positioned to continue to do what it has been doing since it was established in 1866: to serve as a bastion of liberalism and free thought in a region where people have long faced conflict and tyranny. This is due in no small part to the heroic efforts of our faculty and staff in Beirut in recent years – especially during the pandemic. On May 22, 2023, the Board of Trustees approved a Commendation for Heroism to honor the healthcare professionals at our medical center and the university who exhibited extraordinary professionalism and heroism during the COVID-19 global pandemic.

In November 2022, more than 220 trustees, members of the International Advisory Council, senior university leadership, alumni, faculty and

staff, and friends of the American University of Beirut gathered in New York City for “AUB Fundraising Dinner 2022.” As was the case in 2021, the 2022 fundraising dinner was organized to raise money for student scholarships and patients seeking care at the AUB Medical Center. Although it was a stunningly successful fundraiser, raising more than \$4.4 million, the dinner will be remembered even more as a celebration of AUB's enduring mission. I spoke about that mission then: “to graduate individuals committed to creative and critical thinking, life-long learning, personal integrity, and civic responsibility. We believe strongly in the universal application of human rights. We believe in freedom of expression and tolerance of differences. We abhor violence and we cherish enlightened discussion – where opposing views are not vilified but respected.”

I want to take this opportunity also to talk about our current global fundraising campaign: BOLDLY AUB: The Campaign to Lead, Innovate, and Serve. It was launched in January 2017 at a time of great joy and optimism as we were celebrating our university's 150th anniversary. We did not imagine then the financial and economic collapse of Lebanon that unfolded just a few short years later. The circumstances in which we have conducted

this campaign have been unprecedented – and yet we have persevered. We managed to reach our ambitious \$650 million target ahead of schedule, raising \$746 million by June 30, 2023, as follows: \$228 million for Academic Priorities, \$18 million for Capital and Infrastructure Projects, \$16 million for Outreach and Community Impact, \$247 million for Healthcare Priorities, and \$237 million for Student Diversity and Life on Campus. We have continued to fundraise – extending the campaign until January 2024. I urge any of you who have not already contributed to make a donation before January 31, 2024, and be part of this historic initiative.

There are so many who contribute to the success of the BOLDLY AUB campaign – and of this university: our extraordinary Board of Trustees, the visionary and dedicated leadership of President Fadlo R. Khuri and his team, and each one of you who support our university. On behalf of the Board of Trustees, I thank all of you for your continued support and dedication to this remarkable institution.

*Philip S. Khoury*

## MESSAGE FROM FADLO R. KHURI, MD

President

It has been another extraordinary year for this university – with no dearth of challenges but also many occasions for celebration and hope for better days ahead.

Despite the financial collapse of Lebanon and the profound impact that this has had on all aspects of our university, we are currently providing financial support to more than 65 percent of our students. This means that a higher percentage of AUB students are receiving financial support (including financial aid from the university, donor-supported scholarships, and/or institutional grants) than at any time in our history. Another record: more than 20 percent of AUB students are enrolled as full-time students while paying no tuition.

We have done what we said we would do when the impact of the financial and economic collapse caused us to meaningfully change the tuition fee structure: “to increase significantly the financial aid assistance to support all students who qualify.” We awarded more than \$110 million in FY 2023. As I went on to explain in my December 8, 2020, message, “We are doing everything in our power, including seeking new diverse revenue streams and concerted fundraising, to ensure as many

students as possible can be helped to finish their degrees without having to leave for financial reasons.” We were able to make this commitment and live up to it because of the courage and conviction of our Board of Trustees and of the generosity of so many of you who are listed in this Contributors Report.

Another sign of the strength of this institution is AUB’s remarkable leap from 252 to 226 in the 2024 Quacquarelli Symonds (QS) World University Rankings (WUR), solidifying the university’s status as a top tier educational institution both regionally and globally, the first time AUB has been ranked in the top 15 percent of world universities in the most respected global ranking system available.

We celebrated several successful fundraising initiatives and events in 2022-23: the gala dinner in New York City on November 17, 2022; Giving Day on December 5, 2022; and a telethon for the Cancer Support Fund at the AUB Medical Center on December 22, 2022. The numbers from these events are stunning and well worth repeating. The AUB North America Fundraising Gala dinner attracted a capacity crowd of more than 200 attendees and netted around \$4.5 million

for student financial aid and needy patients. This was AUB’s most successful fundraising event in North America, surpassing last year’s record of \$3.1 million. More than 1,150 donors (61 percent alumni; 33 percent first time-donors), from 6 continents, 61 countries, 43 US states, and 4 Canadian provinces came together on Giving Day 2023 to raise \$2.4 million. The Cancer Support Fund telethon on December 22 was organized in partnership with MTV Lebanon during a special episode of Marcel Ghanem’s “Sar el Waet” to benefit cancer patients being cared for at AUBMC’s Naef K. Basile Cancer Institute. It was an extraordinary event raising more than \$5 million in gifts and pledges from more than 1,100 donors. As I wrote in a message to the AUB community the next day, “That is simply remarkable. Fewer than a dozen adult cancer centers in the world could have pulled that number off. The emotional impact? In this country? It is incalculable.”

Just as importantly, after several years of restricted activity because of the pandemic and the financial and economic collapse in Lebanon, the confidence and determination on our campus are palpable. There is also enormous energy and excitement in Pafos, Cyprus where we celebrated the laying of the foundation stone for the American University of Beirut – Mediterraneo on June 7, 2023. I cannot stress strongly and loudly enough that the establishment of this first twin campus will strengthen – not diminish – our home campus in Beirut. The launch of AUB Mediterraneo aligns with our university’s abiding mission: to serve the peoples of the Middle East and beyond.

It is not just our students, faculty, and staff on campus who have been energized this past year. So too have our alumni as demonstrated by their participation in annual Class Reunions on campus; in the AUB4Beirut Run on September 16-18, 2022; and in two signature events in North America last year: the AUB North American Alumni Conference in Boston, Massachusetts on September 30-October 2, 2022 and at “Excellence through Adversity: A tribute to AUB medical professionals in Texas and Louisiana, in support of medical students and the medical center at AUB” in Houston, Texas on March 18, 2023.

I want to conclude with some observations about BOLDLY AUB: The Campaign to Lead, Innovate, and Serve, the fundraising campaign that we launched in January 2017 and will conclude in January 2024. By the end of June 2023, we had received about \$746 million for the BOLDLY AUB campaign (115 percent of the original campaign target of \$650 million), with \$370 million for campus priorities and \$257 million for the AUB Medical Center/Faculty of Medicine. Of the \$627 million received by the Office of Advancement, \$578 million (92 percent) has already been collected.

There are so many highlights from the BOLDLY campaign – starting with its success, reaching the original target ahead of schedule, even more remarkable given that it has taken place during a pandemic and the unprecedented financial and economic collapse of our home country, Lebanon. Another sign of its success is the number of people who have participated. As of June 30, 2023, we had received 60,495 donations from 24,543 donors in 95 countries – including all of you who have made donations to support the BOLDLY campaign. In addition to awarding a record amount of financial assistance to our students, we have also been able to grow our endowment during this campaign, contributing more than \$217 million in new commitments to the endowment as of June 30, 2023.

Thank you to each and every one of you who has responded to our calls for help and support. You have given, often repeatedly, even during this time when we have all endured many hardships, as individuals and families, as well as a community and an organization. I want you to know that we will never take your support for granted, and that we will eternally be grateful. I also want to ask anyone who has not yet made a donation to support the BOLDLY AUB campaign to do so before January 31, 2024. Thank you. Onward and ever upward for AUB!

## BOLDLY AUB:

The Campaign to Lead, Innovate, and Serve

**BOLDLY AUB:** The Campaign to Lead, Innovate, and Serve has transformed the lives of tens of thousands of AUB students and of patients being cared for at the AUB Medical Center. It has also transformed the landscape of our campus as well. It is the success of the BOLDLY campaign, which was launched on January 16, 2017, that has enabled the university to withstand the existential threats of recent years due to the economic and financial collapse of the country, the pandemic, and the August 4, 2020, explosion in the Beirut port.

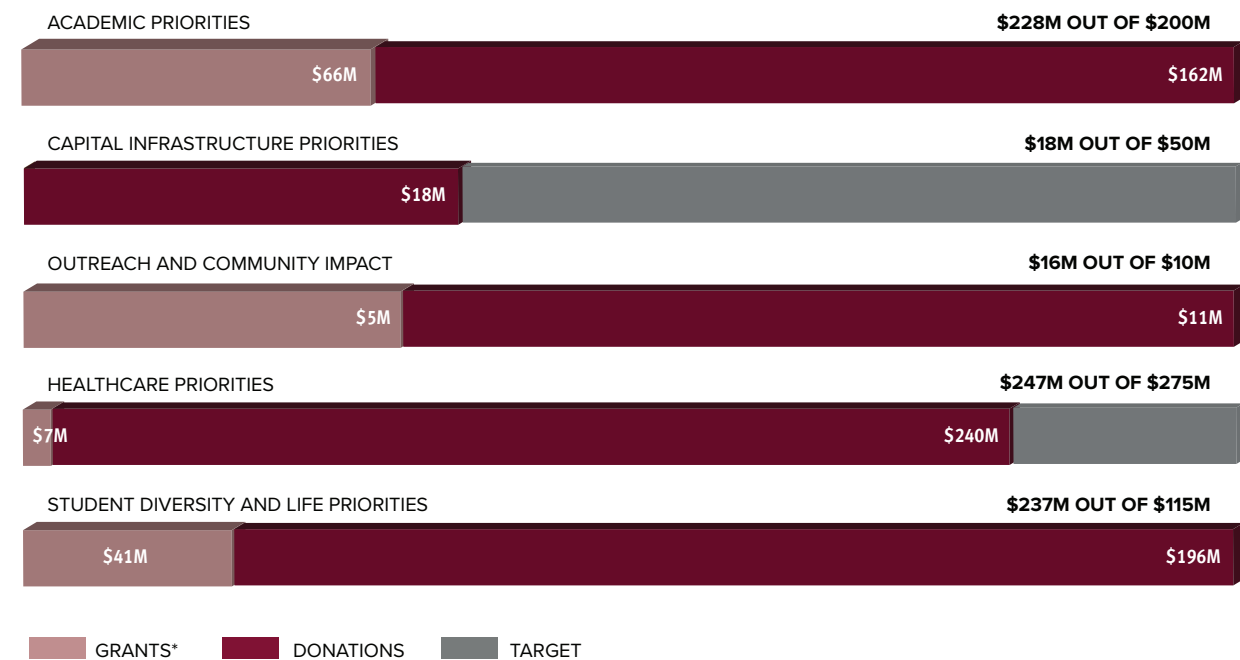

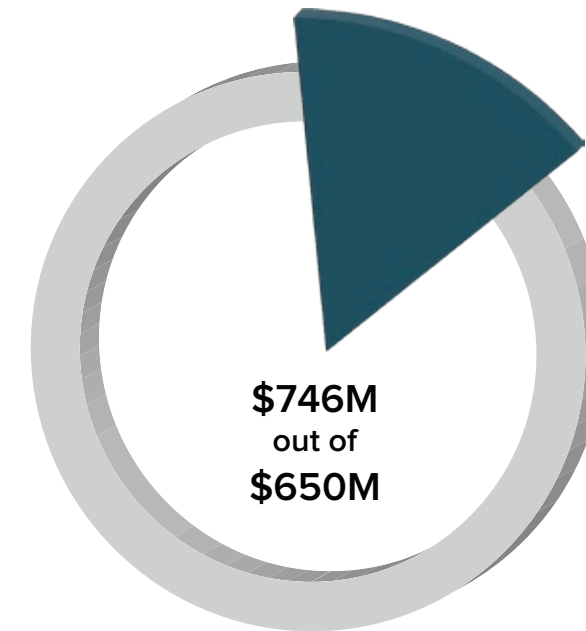

The BOLDLY campaign was originally intended to be just a five-year campaign, ending in January 2022. Because of the dire situation at the time, the Board of Trustees decided to instead extend the campaign for at least another two years.

There have been a number of changes at our university during the course of this campaign as we shifted our priorities to ensure that we were responding most effectively to challenges that could not have been anticipated. Through it all, our commitment to the peoples of the Middle East and beyond has never wavered. As President Khuri noted in his Commencement address in June 2023, “When the next pandemic, challenge, economic or political collapse comes, let no one doubt the American University of Beirut’s resolve, ability, and determination to make an extraordinary difference in the lives of the peoples it serves.”

The total amount raised for the BOLDLY AUB campaign as of June 30, 2023, was \$746 million as follows: \$228 million for Academic Priorities, \$18 million for Capital and Infrastructure Projects, \$16 million for Outreach and Community Impact, \$247 million for Healthcare Priorities, and \$237 million for Student Diversity and Life on Campus. The \$746 million was received in the form of 60,495 donations from 24,543 donors in 95 countries – including all of you who have made donations to support the BOLDLY campaign. In addition to awarding a record amount of financial assistance to our students during the course of the BOLDLY campaign, we have also been able to grow our endowment, contributing more than \$217 million in new commitments to the endowment as of June 30, 2023.

## ABOUT OUR TRUSTEES

The American University of Beirut benefits enormously from the leadership, courage, thoughtful engagement, and generous financial contributions of its trustees. Their role has been especially critical in recent years as the university navigated what President Fadlo R. Khuri has described as a “concatenation of catastrophes” due to the economic and financial collapse of Lebanon, the COVID-19 pandemic, and the August 4, 2020, explosion in the Beirut port. As Chairman Philip S. Khoury notes in his message in this report, “The members of our Board of Trustees have once again risen to the occasion providing strong support to President Fadlo Khuri and his exceptional team of academic deans and senior administrators.”

It is the leadership and support of our Board of Trustees that has enabled AUB to emerge from this unprecedented period more resilient and better placed to embrace the challenges and opportunities of the future.

## AUB FUNDRAISING DINNER 2022

More than 220 trustees, members of the International Advisory Council, senior university leadership, alumni, faculty and staff, and friends of the American University of Beirut gathered in the Rainbow Room at Rockefeller Center in New York City on November 17, 2022, for AUB Fundraising Dinner 2022. The event was both a stunningly successful fundraiser and a celebration of AUB's enduring mission and an opportunity to bid farewell to a treasured member of the AUB family: Dr. Nicola Najib Khuri, the longest-serving trustee in the history of the university and a globally respected theoretical physicist, who passed away on August 4, 2022.

The total amount that was raised leading up to and during the dinner was \$4.4 million, including \$1.5 million that was raised during the live appeal, which began with a \$100,000 gift from Trustee Ayman Asfari. The family of the late Hamdi Al Zaim and an anonymous donor each made \$500,000 gifts. The appeal ended with dinner attendees competing at the \$250 gift level to win the Assembly Hall Coin, one of just ten limited edition coins that the Banque du Liban issued on the occasion of the 150<sup>th</sup> anniversary of the American University of Beirut in 2016. The coin was won by Trustee Randa El-Sayed Haffar.

In his remarks, Chairman of the Board of Trustees Philip S. Khoury spoke about the university's mission "to graduate individuals committed to creative and critical thinking, life-long learning, personal integrity, and civic responsibility. We believe strongly in the universal application of human rights," he continued. "We believe in freedom of expression and tolerance of differences. We abhor violence and we cherish enlightened discussion – where opposing views are not vilified but respected."

In his presentation, President Fadlo R. Khuri spoke about "where our university stands today, where we're going, and why your support matters." He noted that despite the challenges in Lebanon due to the economic and financial collapse, the university was continuing to excel in global rankings. He also pointed to many examples showing that students and faculty were achieving great success. Between 2018 and 2022, for example, 78 percent of Faculty of Medicine graduates matched at US residency programs at the first time of asking; 85 percent were successful at the second attempt.

Reflecting on the dinner, President Khuri said, "It was one of the finest gatherings of minds and hearts in support of the American University of Beirut that a person could ask for."

Our global family came together on December 5, 2022 to support AUB Giving Day 2022. It was truly a global celebration. AUB alumni chapters around the world and 19 Giving Day partners (see list below) played pivotal roles in mobilizing the 1,151 alumni and friends in 61 countries who made donations, surpassing the original Giving Day goals of 1,000 donors from 50 countries.

One of the highlights of Giving Day was the Faculty Challenge. Two trophies were awarded this year: to the Rafic Hariri School of Nursing, which received support from the highest percentage of contactable alumni, and to the Faculty of Arts and Sciences, which received the most alumni donations. Both trophies were presented to the deans of the two winning faculties by President Fadlo Khuri during the Faculty Challenge Trophy Ceremony on December 20, 2022.

“We are very grateful to our partners, alumni, chapters, friends – to everyone – who took part, on campus and around the world. You could feel the energy,” said Associate Vice President for Development, Alumni Relations, and University Events Salma Oueida. “Events such as Giving Day are a great opportunity for the AUB family to come together in support of our university that we love.”

President Fadlo R. Khuri established the Earthquake Relief Taskforce immediately following the devastating February 6, 2023, tragedy in Syria and Turkey to coordinate the university's response. The taskforce worked closely with Médecins Sans Frontières (MSF) and the International Committee of the Red Cross (ICRC), chosen because of their already strong presence in the areas that were hit the hardest by the earthquake. Donations to the Earthquake Relief Fund were used to support the two organizations' efforts to provide medical aid, urgent care for infants and children, counseling for mental health, shelter, and hygiene items. Donations were also used to provide financial support (and other support, including counseling, as needed) to Krikor Tanakedjian and Carmen Bonja, two AUB students who lost parents in the earthquake.

# AUB4STUDENTS SCHOLARSHIP DRIVE

The AUB4Students Scholarship Drive was launched on Valentine's Day 2021, just six months after the devastating explosion in the Beirut port on August 4, 2020. That explosion caused enormous physical destruction. It also threatened the dreams and hopes of thousands of prospective students whose family circumstances had been adversely affected by both the explosion and the worsening economic situation in Lebanon. Donations to support current and endowed scholarship funds have played a critical role in enabling the university to award a record amount of financial assistance in recent years.

We are deeply grateful to the more than 2,183 donors who made gifts in 2022-23 to help current and future students. They provide not just financial support, but also, as Senior Vice President Imad Baalbaki noted recently, "hope to some of our many extraordinary students who are struggling during these challenging times."

## AUB4WOMEN CAMPAIGN

In 1921, AUB decided to admit women students to the Faculty of Arts and Sciences and to its graduate programs in medicine, dentistry, and pharmacy. This extraordinary and courageous step would provide tens of thousands of women in Lebanon and the region with a unique experience. It charted a courageous path, contributing to a shift in gender relations and providing young women of our region with the possibility to imagine a different future.

On the occasion of AUB's Coed Centennial in 2021, the American University of Beirut launched the AUB4Women Campaign to establish new, and encourage additional support for existing, scholarship funds (both endowed and current) that benefit women students at AUB. The campaign was launched in March 2021 and concluded on June 30, 2023. During the course of the campaign, AUB raised \$2,688,977 for both endowed and current funds. Of this amount, \$2,466,977 has already been received – from 395 donors in 16 countries.

We are deeply grateful to the donors listed here for their support for the AUB4Women Campaign.

## CLOCK TOWER SOCIETY

AUB's first president, Dr. Daniel Bliss, traveled extensively in the United States and England between 1862 and 1866 to raise funds to establish the Syrian Protestant College (as AUB was known until 1920). Some of AUB's earliest donors made planned gifts from their estates. Those planned gifts helped Bliss establish our university and have provided critical funding during many challenging periods throughout our history.

We established the AUB Clock Tower Society in YEAR to recognize and thank donors who have instituted a planned gift or included AUB in their estate plans. The society is named for the clock tower in the oldest and most iconic building on the AUB campus. Throughout AUB history, the clock tower has been identified with the university's resilience and its abiding commitment to, in the words of Dr. Bliss, "develop in its students the love of truth and the desire to do right."

Eligible planned gifts include outright gifts, trusts, gifts from an IRA or retirement plan, life insurance policies, life income gifts, charitable gift annuities, charitable remainder trusts, or charitable lead trusts.

## FINGERPRINTS

Fingerprints is a special fundraising program, by students, for students. It was launched in 2002 by the Office of Development in coordination with the Office of Student Affairs and the University Student Faculty Committee (USFC). The program involves AUB students in an initiative that benefits other students and establishes a culture of giving among them.

It has been a tradition at AUB since the program's inception for graduating students to be asked to make a financial contribution to the Fingerprints Endowed Scholarship Fund. Talal Kaddoura (BBA Finance '23), who is one of the graduating students who made a contribution to support Fingerprints in 2023, explains that "at the heart of my decision to donate to the Fingerprints Scholarship Fund at AUB lies a profound sense of gratitude and a strong commitment to giving back to the institution that played a pivotal role in shaping the person I am today. As an alumnus, I cherish the memories, the transformative experiences, and the lifelong friendships forged during my time at this brilliant institution. This institution gave me the best education, experiences, and the opportunity to establish solid lifelong friendships in a very uncertain country. This wouldn't have been possible without the financial aid that was granted to a huge number of students including myself. Fingerprints was one of the ways for me to give back to my AUB community, initially as a USFC member and as an ambassador, all the way to a graduating donor."

The USFC and an AUB trustee made generous donations to match gifts made by the Class of 2023 keeping up a longstanding tradition of support from the USFC and AUB trustees. "As a VP for USFC, I believe Fingerprints was the most important and impactful project we worked on as students," said Joseph Soueidy (BE Industrial Engineering '23). "At the end of the day it is an initiative from students

for students. It's honestly amazing to see the impact of a small yet genuine contribution. Donating as a member of the Class of 2023 was one of the most meaningful things I did in my senior year." The critical support received from thousands of students like Talal and Joseph over the last 20 years has been life changing to many students, especially during these exceptionally difficult times for Lebanon and the region.

Nursing student Jad Deeb had this to say when asked about the impact of receiving the Fingerprints Scholarship. "It carried me through a collapsing economy, enabling me to pursue my higher education, which in turn made it possible for me to give back to the community through nursing," he said. This scholarship is especially meaningful to the recipients because it is funded primarily by other students. "I am incredibly grateful for this support and want to express my sincere thanks," said Ola Moussalli, a current business administration student at AUB. "Receiving the Fingerprints Scholarship has truly been a transformative experience."

The Fingerprints Endowed Scholarship Fund, which is now valued at over \$2.5 million, has so far provided more than 383 scholarships worth more than \$946,760 to AUB students like Jad and Ola. The need will be even greater in the years to come, but thanks to the philanthropy of AUB students, we are confident the fund will continue to thrive, and transform lives.

## PARENT PROGRAM

Parents have a special relationship to any university where their children are students. The fact that many AUB parents – and grandparents – are also AUB alumni is a great source of pride for our university. Parents support their children in many ways. Some parents are able, and also want, to do more to benefit their children's university and become generous donors. Their gifts provide essential funding for AUB's scholarship program, research laboratories, extracurricular activities on campus, and capital projects. We salute our parent contributors – especially those (highlighted in the list below) who have made gifts in each of the last three years. Thank you!

# 1866 SOCIETY

The 1866 Society celebrates donors who have made a gift to the university of any amount in at least seven of the last ten years.

This support is especially valuable during challenging times such as the ones that AUB has faced in recent years. We are deeply grateful to the new and returning members of the 1866 Society who made gifts to AUB in 2022-23.

The society, which was named for the year that the university was founded, now includes 911 alumni, parents, faculty, staff, and friends. 1866 Society members receive a recognition pin when they reach particular milestones: a bronze pin for 7 years of support; silver for 10 years; gold for 15 YEARS; and platinum for members who have contributed for 21 or more years.

## AUB SCHOLARSHIP FUNDRAISING COMMITTEE

The AUB Scholarship Fundraising Committee was established as the College Hall Fundraising Committee to raise money to rebuild College Hall, which was bombed on November 8, 1991. That original campaign raised almost \$20 million. College Hall was rededicated in July 1999.

The current committee is chaired by Mohammad Shatila (BEN '95) and includes prominent alumni and friends of AUB who fundraise for AUB's financial aid program. The need for financial aid has never been greater than it is today when the families of so many students are facing unprecedented – and unexpected – financial losses due to the economic and financial collapse of Lebanon, the COVID-19 pandemic, and the devastating August 4, 2020 explosion in the Beirut port.

Despite these challenges, which are having a profound impact on AUB as well, our commitment to what President Khuri described recently as our “sacred mission to safeguard this essential institution and make it more sustainable, so it can teach generation after generation and lift them up through knowledge creation” has not diminished. The members of the AUB Scholarship Fundraising Committee work to support that sacred mission.

The AUB Scholarship Fundraising Committee Endowed Scholarship, which was established in 2004, has a market value of \$652,330 (as of June 30, 2022). Proceeds from this fund have been used to award almost 115 scholarships worth around \$270,000 to 58 students since its inception.

Established in 2003 as a charitable fundraising initiative at the Children's Heart Center (CHC) at the American University of Beirut Medical Center (AUBMC), Brave Heart is dedicated to providing financial assistance for life-saving surgeries to underprivileged children diagnosed with Congenital Heart Disease (CHD). Brave Heart has become a beacon of hope for thousands of children in Lebanon, funding treatments for over 4,500 children, including 143 heart surgeries and interventions in FY 2022-23.

Brave Heart is proud to have been the first patient fund in Lebanon dedicated to pediatric cardiac care and one of a very few NGOs actively providing financial assistance for needy children affected by CHD in Lebanon. In a time of unprecedented turmoil and loss in Lebanon, Brave Heart remains fully committed to its mission. Below are some highlights of its awareness and fundraising activities in FY 2022-23.

In July 2022, four teenage heroes and their dads climbed Mount Kilimanjaro for Brave Heart, raising funds for seven life-saving heart procedures! Also in July, Brave Heart was one of seven NGOs that received proceeds from "Coloratura," a first-of-its-kind concert

featuring Brave Heart goodwill ambassador RODGE and Lebanese musician Michel Fadel. On November 13, Brave Heart participated in the 5 km "Run for a Cause" event at the Beirut Marathon, gathering the largest group of 531 runners to run for little hearts. In December, In-Action Events supported Brave Heart by donating part of the proceeds from its Christmas market. Also as part of the holiday season, Brave Heart collaborated with Lebanese brands Ta Gueule, Salma Loves Beauty, Serene Candles, and Luanatic to offer bespoke collections and gift sets. The year ended with a bang with Brave Heart's signature party on December 26 at Station Beirut, a memorable night that generated funds for the heart surgeries and medical expenses of 10 children!

The new year kicked off with a fashion fundraiser organized by the Rotoract Club of Beirut on February 4 at the Casino du Liban in support of Brave Heart, showcasing young Lebanese talent and brands and donating some of the proceeds from the event to fund heart procedures and surgeries. As part of its annual CHD awareness program in February 2023, Brave Heart's impactful "scar campaign" appeared in a three-week long outdoor and online media campaign. Also in February, Beirut's pastry shops and bakeries donated proceeds from special Valentine's Day themed cakes and desserts to Brave Heart. For Mother's Day, In-Action Events hosted the 4th "Mama's Brunch" in support of Brave Heart on March 20, uniting over 150 ladies for a lively event featuring entertainment, tasty dishes by Em Sheriff, Lebanese designer stands, and a raffle with valuable gifts generously donated by Lebanese artists, designers, and companies. Proceeds from the event and raffle were donated to Brave Heart.

On May 12, popular Lebanese singer Hadi Daou entertained 600 guests at Palms the Legends, contributing to Brave Heart by donating part of the event's proceeds. Raising heart rates for a good cause, trendy fitness and lifestyle sports club Mercury organized a special fundraising sports event on May 20, donating 50 percent of the proceeds to Brave Heart.

June was another busy month. Talented artist Zena Assi supported Brave Heart once again by donating all of the proceeds from the sale of a beautiful ceramic work called "Halabtouna" from her solo exhibition, "Study of a Cloud," in Beirut on June 15. In collaboration with Brave Heart, 22 of Beirut's trendiest restaurants and cafes joined forces on June 22 to contribute part of their income towards the heart procedures and surgeries of children. June ended on a high note with a special performance for Brave Heart of "Sar Waet el Haki," the first play written and performed by award-winning film director Philippe Aractingi and directed by Lina Abyad, a giant of the Lebanese theater.

Despite the socio-economic challenges in Lebanon, FY 2022-23 was a year of unwavering support from Brave Heart's community. As Brave Heart approaches its 20th anniversary milestone in November 2023, FY 2023-24 promises more inspiring fundraising events. Save the date for the next Brave Heart party in Beirut on December 26, 2023, as Brave Heart celebrates 20 YEARS of saving little hearts!

ADMINISTRATOR

The Cancer Support Fund (CSF) is a charitable initiative at the Naef K. Basile Cancer Institute (NKBCI) at the American University of Beirut Medical Center (AUBMC). CSF was launched in March 2018 in response to a pressing need in the region where cancer rates are on the rise and patients lack a comprehensive support system that will assist them throughout their medical treatment journeys. CSF is dedicated to increasing public awareness of cancer while providing financial assistance, emotional support, and advice to patients who need help. Since it was established, it has helped 1,668 patients, including 562 patients in 2022-23.

CSF organizes activities throughout the year – and did so again in 2022-23, despite the difficult circumstances.

### The Cancer Support Fund at AUBMC Welcomes People to People Aid and US Ambassador Dorothy Shea

People to People Aid founder Wasseem Kabbara and US Ambassador Dorothy Shea visited CSF and NKBCI on August 17, 2022. The visit was prompted by a \$1.4 million donation from People to People Aid, in partnership with Direct Relief and MAP International, of chronic, psychotropic, and cancer medications that were received.

Ambassador Shea and Mr. Kabbara were welcomed by Ms. Hala Dahdah Abou Jaber, CSF president and founder; AUBMC and AUB leadership; and many distinguished AUBMC hematologist oncologists.

In her remarks, Ambassador Shea highlighted the help that CSF is providing adult cancer patients to support their treatment and to enable them to complete their recovery journeys.

Ambassador Shea thanked People to People Aid, its founder Wasseem Kabbara, and its American nonprofit organization partners, Direct Relief and MAP International, for their cooperation and coordination to contribute much needed medications that benefit AUBMC and Lebanon.

Ambassador Shea toured NKBCI and visited adult cancer patients who shared their challenging experiences and their psychological suffering due to the shortage of medications, the cost of treatment, and the lack of national medical coverage and social security in addition to many other issues affecting patients' ability to access appropriate care.

### October: Breast Cancer Prevention Month

As part of CSF's commitment to prevent and reduce cancer, it offered 200 free mammograms to women over the age of 40. This campaign touched the lives of many women who would not otherwise be able to afford screening mammograms and helped them to get checked and complete their health cancer screening requirements.

### Moving and Impactful Beyond Our Wildest Expectations

The global telethon on December 22, 2022, was, as President Fadlo Khuri noted in a message he sent to the AUB community the next day, "moving and impactful beyond our wildest expectations." Thousands of people from around the world came together to raise more than \$5 million for CSF. "Fewer than a dozen adult cancer centers in the world could have pulled that number off. The emotional impact? In this country? It is incalculable," said Khuri.

The telethon was led by founder and president Ms. Hala Dahdah Abou Jaber to increase public awareness of cancer while providing financial assistance, emotional support, and advice to patients who need help. The need for help continues to grow. "The number of adult cancer patients requesting support has increased dramatically," said Dahdah, noting that 30 percent of cancer patients cannot afford to pay their hospital bills.

Thanks to the money that was raised during the telethon, which was organized in partnership with Sar El Waqt and MTV, Dr. Ali Taher, CSF co-founder and NKBCI director, and his colleagues will be able to treat even more patients. "We are offering cancer patients exceptional medical care," said Taher. "What we lack is financial resources so we can secure the treatments we require and assist even more patients, too many of whom cannot afford the life-saving treatment they need."

### World Cancer Day

On World Cancer Day on February 4, 2023, CSF participated in the anti-cancer market held at AUBMC to help spread awareness of cancer prevention. President Fadlo Khuri thanked Ms. Hala El Dahdah during the event for her continuous noble efforts to support adult cancer patients.

### Al Bustan Festival

On March 1, CSF collaborated with NKBCI and Al Bustan Festival to organize “Harmonies of Peace,” a free walk-in concert for adult cancer patients featuring renowned pianist Alexander Malofeev. It was a joyous event that helped to alleviate the suffering of cancer patients.

### Mother’s Day! Cut Your Hair, Show You Care

The Lebanese Oncology Interest Group (LOIG), in collaboration with NKBCI, CSF, and the Premedical Student Society (PSS), organized “LOIG Goes Short: Cut Your Hair, Show You Care” on March 20. The hair donation was a success thanks to Tony El Mendelek’s team and Schwarzkopf Professional Lebanon.

### March 21: NKBCI Patient Tour

On the occasion of Mother’s Day, NKBCI and CSF visited cancer patients to wish them a Happy Mother’s Day. CSF Founder and President Hala Dahdah, CSF Co-founder and NKBCI Director Dr. Ali Taher, Dr. Hazem Assi, Dr. Jean Sheikh, the CSF team, and doctors had the opportunity to meet with cancer patients, listen to their stories and testimonials, and provide emotional support. The patients were delighted to receive healthy snacks and other gifts from the team. The event was heartwarming and a powerful reminder of the importance of showing kindness and empathy towards those going through difficult times.

### June 24: Basketball Tournament

On June 24, LOIG in collaboration with the AUB UNICEF Club organized “Beating cancer one game at a time” to raise funds to support needy cancer patients at NKBCI.

The Focus Fund was established in 2016 to support child mental health at the AUB Medical Center (AUBMC). It supports activities and initiatives to promote child mental health including intellectual disability (ID), attention deficit hyperactivity disorder (ADHD), autism spectrum disorder (ASD), anxiety disorders, depression, eating disorders, learning disorders (LD), obsessive-compulsive disorder, and Down Syndrome. The fund has covered the cost of care for 786 children so far including 93 children in the last fiscal year. The Focus Fund also covered the hospitalization of three adolescents who had mental health emergencies requiring admission to the Psychiatry Unit at the AUB Medical Center last year.

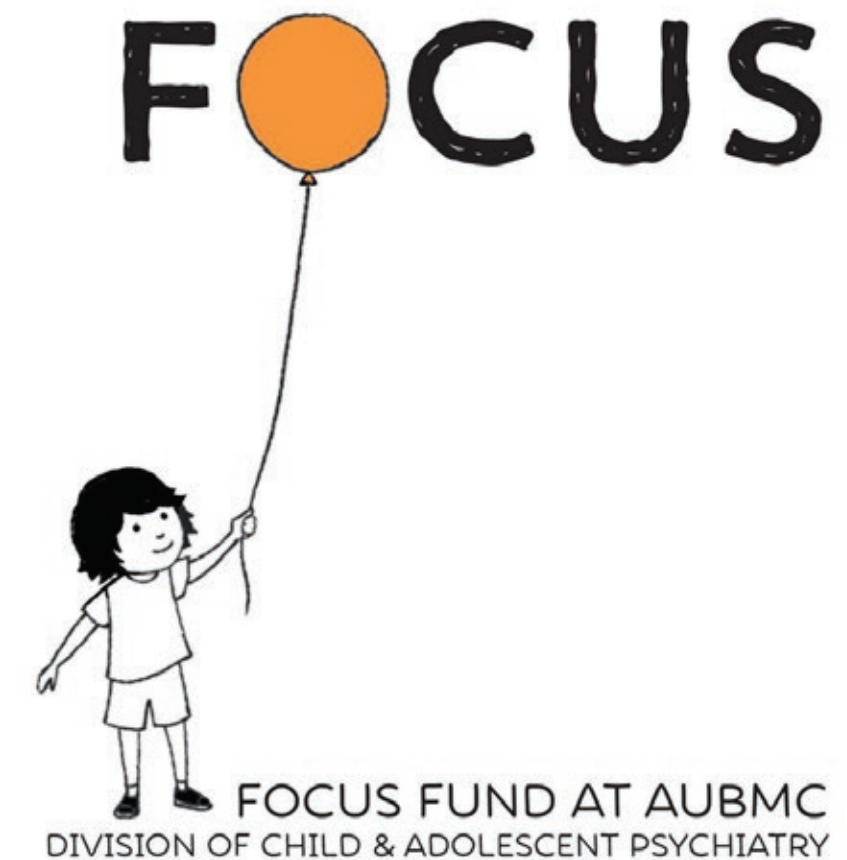

The Focus Fund supports the following services at the Division of Child and Adolescent Psychiatry making them accessible to people who would not otherwise be able to receive this type of assistance:

- Psychotherapy
- Psychiatry
- Special Education
- Neuropsychological Assessment
- Speech therapy
- Psychomotor therapy

As part of its commitment to capacity building, the Focus Fund launched a Child Psychiatry Fellowship at AUBMC in June 2017. It has covered the cost of two fellowship scholarships. The graduates are the first in Lebanon to specialize in child and adolescent psychiatry. The fund also provided scholarships for six psychology interns in the Department of Psychiatry, including two scholarships in 2022-23. The psychiatry fellows and psychology interns provide treatment for Focus patients.

The Focus Fund also supports a school-based intervention program that builds emotional resilience among students.

In the last year, the Focus Fund Parents Support Group was established by a parent in collaboration with Focus Fund and the Child and Adolescent Psychiatry Department at AUBMC to help the parents of children with learning difficulties to accept the situation, embrace life, and to care for their children. Sessions are free of charge, confidential, and conducted under the supervision of a professional psychologist.

Multiple Sclerosis (MS) is a chronic disease affecting the Central Nervous System (CNS) causing mild to severe neurologic disabilities if not treated. This disease affects all age groups but usually starts between the ages of 20 and 40 and is 2-3 times more common in women than men. There is currently no cure for MS, but there is treatment that can delay the disease progression.

Lebanon is considered a moderate- to high-risk area for MS with an incidence rate of around 8.4 cases per 100,000. We assume that there are more than 3,500 individuals in Lebanon suffering from this disease. The average cost of MS care can range from \$2,500 to \$5,000 excluding medication fees. MS treatment might include but is not limited to blood tests, pathology tests, procedures (LP Botox injections), evoked potentials, radiology tests (MRIs, CTs, etc.), hospitalization for intravenous therapies (IV), and physical therapies.

The Friends of MS at AUBMC is a volunteer group established in February 2012 that supports the Nehme and Therese Tohme Multiple Sclerosis Center at the AUB Medical Center by raising funds to provide financial assistance for the treatment of needy MS patients at the center; building awareness campaigns to educate the community about MS; and contributing to the funding of MS-related research.

Since 2012, more than 500 needy MS patients have received financial support at the center for a wide range of services including lumbar punctures, blood studies, and radiology testing (MRIs, etc.)

The Friends of MS at AUBMC organized several activities and initiatives during 2022-23 including an MS awareness booth at the Glow Kids Club in November 2022 and a patient day at the Halim and Aida Daniel Academic and Clinical Center (ACC) at AUBMC in May 2023. In addition, more than 250 people attended “Summer Vibes” on June 22, a fundraising party that was organized with Al Riyadi Club to raise awareness and support for the MS cause.

The Lebanese Breast Cancer Foundation (LBCF) was established in January 2011 by Dr. Nagi El Saghir and a group of committed breast cancer survivors and volunteers to raise awareness about

breast cancer, promote early detection, and to provide financial assistance to underprivileged breast cancer patients so they can receive the treatment they need. The foundation has supported

more than 4,500 breast cancer patients since it was established, including 442 women in 2022-23.

LBCF organized a number of activities in 2022-23:

### Jezzine waterfall in pink

The Jezzine waterfall was lit up in pink to celebrate the Pink October campaign to fight breast cancer.

### Pinktober Ride

LBCF and the Naef K. Basile Cancer Institute, in collaboration with the Harley Davidson Riders - HOG Lebanon Chapter, organized a "Turn On the Pink" breast cancer awareness session on Sunday,

October 16, 2022 at the Saab Medical Library plaza. The session featured Harley Davidson bikes decorated in pink. The bikers later toured around the AUB Medical Center to raise awareness about breast cancer.

### I Took the Cut

The L'Oréal Professional Products Division, in collaboration with LBCF, held its annual "I Took the Cut" event on October 30, 2022, at ABC Achrafieh. Fourteen talented professional and renowned hairdressers came with their scissors to join the initiative and support women in Lebanon fighting breast cancer. The hair donation drive was a remarkable success as it collected 23 kilograms of hair, which will allow L'Oréal and LBCF to produce and provide wigs free of charge to cancer patients suffering from hair loss due to their medical treatments.

### Awareness sessions

Awareness sessions were held all over Lebanon to raise awareness of breast cancer and the importance of early detection. Doctors, nurses, survivors, and friends volunteered and gave community lectures at different institutions, Lebanese universities, schools, and scout meetings in municipalities across Lebanon.

## THE NEIGHBORHOOD INITIATIVE

The mission of the AUB Neighborhood Initiative (AUBNI) is to mobilize the full power of the American University of Beirut for the public good in Ras Beirut, promoting the neighborhood's livability, vitality, and diversity through innovative outreach activities and multidisciplinary research.

The initiative's work encourages critical citizenship, giving AUB faculty and students the opportunity to apply critical thinking through practical problem-solving for the city and its people. Tactical urban interventions and projects address social, urban, and environmental issues, activate public spaces, and engage the community in reclaiming their neighborhood, bringing together community leaders, designers, artists, NGOs, and public and private institutions.

### Cultural exhibitions and concerts

- AUBNI produced **"Allo, Beirut?,"** the first comprehensive immersive interactive multimedia exhibition capturing the city's past and present in Beit Beirut, the city's museum of memory. Developed for the general public to offer enhanced access to culture and led by a team of more than 70 Lebanese activists, artists, and journalists, this multidisciplinary project was designed to cultivate a sense of belonging, question the past, and envision a better future for Lebanon. The exhibition that opened in September 2022 and closed in July 2023 was the most visited exhibition in Beirut in recent years with an average of 150 visitors per day, totaling more than **55,000 visitors**.

- For the second year, AUBNI celebrated the festive season with the **Al Jar Lil Jar program of performances at Al Madina Theatre** (December 10 and 19-23, 2022) to re-enliven Ras Beirut, bringing music and joy to our community. The **Christmas parade** started from the AUB Main Gate and continued along Hamra Street with the Lebanese Scouts Association band, students from public and private schools, local NGOs, neighborhood residents, and business owners. It featured musical street performances by young Palestinians, Syrians, and migrant domestic workers. The program included **six concerts** by both established artists and young talents: Soprano Ghada Ghanem and poet Talal Haidar, Oumeima El Khalil and the AUB Zaki Nassif Ensemble for Arabic Music, Jeelan, the RAND and Lotus Duo bands, and the Fayha National Choir.
- AUBNI organized two open **street concerts** by **Teyyarit Waraq** to celebrate with the community the lighting of Bliss Street (November 4, 2022) and Corniche Ain El Mreisseh (January 24, 2023) with power from AUB generators as part of the **"Light up our community"** initiative in collaboration with Rebirth Beirut and Medco.
- AUBNI supported musician **Sami Hawat** by organizing a tarab concert to launch his new solo oud CD **"Marahel"** at Al Madina Theatre (February 20, 2023) to inspire music lovers to support local artists in these difficult times.
- AUBNI launched the **"Giving Voice to Music Initiative"** in partnership with the **Zovighian Partnership** and with support from Saadallah and the Loubna Khalil Foundation. The inaugural concert on May 13, 2023 at the AUB Assembly Hall before a full house featured a virtuoso Lebanese quartet, sopranos Lynn Zovighian and Maria Mattar, and the Fayha National Choir in an amazing night of opera.

### Community support

- Since April 2020, the **Al Jar Lil Jar campaign** has continued to support **220 vulnerable Ras Beirut families**, including many elderly, with donations from the AUB community, alumni, and friends. It has also partnered with the AUB Medical Center to offer free medical consultations and with donors and NGOs to provide free medications. We continue to stand in solidarity with our neighbors throughout the multiple crises Lebanon is facing.
- With generous donations from the **WAAAUB New England Chapter**, AUBNI distributed mouneh and maamoul sweets from local women producers to 150 vulnerable Ras Beirut families through the Al Jar Lil Jar program to celebrate Easter and Eid 2022.

### Environmental and urban projects

- The **"Ras Beirut Btifroz"** recycling campaign to encourage reducing, reusing, and recycling in the neighborhood continued its collaboration with **Arcenciel** with a network of 90 residential buildings and 10 cafes and businesses collecting more than **120,000 kg of recyclables**.
- AUBNI in collaboration with **"Art of Change"** NGO commissioned a **street mural** by calligraphy artist **Ghaleb Hawila** to beautify the abandoned shop fronts facing the AUB Main Gate, highlighting the motto of the university, "That they may have life and have it more abundantly," in Arabic.

- AUBNI in collaboration with Wave Bike, The Chain Effect, and local coffee shop The Nest launched an **E-bicycle station** on Makhoul Street to provide a green transport solution and encourage a car-free lifestyle in the neighborhood.
- AUBNI in collaboration with The Chain Effect installed a **bike parking** structure facing the Reynolds Hall gate to encourage our biking community.
- AUBNI partnered with **Ahla Fawda** NGO to launch the first **EcoHub** in Ras Beirut, a parking lot that was turned into a community space to showcase and spread awareness about eco-friendly practices including solid waste collection, upcycling workshops, and an EcoPlay space for children.

**Academic support**

- AUBNI supported undergraduate students majoring in public health, anthropology, media studies, architecture, and landscape design, in their **research projects** about Ras Beirut facilitating access to our database and providing advice and insights to guide students in their work.

The Neonate Fund was established in 2011 by five mothers to financially assist families of premature and sick newborns in need of specialized medical care at the Neonatal Intensive Care Unit (NICU) at the AUB Medical Center (AUBMC). It has provided financial support to 600 patients to date.

The Neonate Fund actively participated in the Beirut Marathon (BMA) in November 2022, along with other NGOs, to help raise awareness and funds during the deteriorating economic situation in Lebanon. The Neonate Fund received donations through the BMA platform and from the many registered participants who ran in support of the fund.

In March 2023, the Neonate Fund volunteer group organized a fundraising event at La Scene, featuring Lebanese celebrity Mr. Ziad Bourji. The magical event was attended and supported by more than 300 prominent figures who also made additional donations to help support our newborns.

In June 2023, a group of IC students “Les PhAnDasti-J4,” selected the Neonate Fund as a cause that they wanted to support through fundraising. They organized a sale in the Beirut Souks to receive donations. The students visited with the director of the NICU, Dr. Khalid Yunis, who spoke to them about prematurity and the course of treatment at the NICU.

Fund volunteers continue to work to secure additional funds in line with the fund’s mission to support needy families of premature sick newborns who are especially in need of assistance because of the current economic situation in Lebanon.

The OpenMinds Fund, which was established by a group of concerned parents and friends to assist children with special needs, celebrated its 10th anniversary in November 2022. It supports the activities of the AUBMC Special Kids Clinic (ASKC). Contributions to the OpenMinds Fund also support clinical and basic research projects at the AUB Medical Center. Since it was established, it has helped 651 families, including 96 families who received assistance in 2022-23.

The fund's mission is based on three pillars:

- Raising awareness and promoting integration at all levels, particularly in schools, universities, and the workplace.
- Providing financially needy families with various treatments and services at ASKC, a unique, up-to-date, multidisciplinary center of excellence in the Middle East.
- Supporting research in neurodevelopmental disorders at the Neurogenetics Program at AUBMC.

Despite the difficult challenges that Lebanon is continuing to face, the fund was active throughout the year, helping society to become more inclusive at all levels.

- OpenMinds offered 585 special needs scholarships to students attending 10 different schools across Lebanon.
- OpenMinds continued its collaboration with Step Together's "I Can Be Productive Program" sponsoring young adults to learn skills at the workplace. This is an essential workshop that helps young adults more fully participate in society.
- The fund organized a successful online fundraising auction in December 2022 with various items, ranging from pieces of art to sculptures and jewelry, in collaboration with Nada Boulos.
- Many of our activities this past year focused on awareness and communication:
  - » We partnered with the annual Beirut Marathon, which took place in 2022 for the first time since 2019. OpenMinds spearheaded a collaboration by uniting with seven other NGOs under one umbrella: "Together for one cause, together we run." More than 800 runners participated in our 5 km fun run demonstrating that we are stronger together and raising awareness about individuals with special needs.
  - » We also successfully produced two videos about autism for our social media platforms to raise funds and awareness during April (World Autism Acceptance Month). More than 65 regional influencers supported us.
  - » Lastly, our most prestigious event of the year was our collaboration with MTV on April 16, 2023 on a day-long telethon that was broadcast live on MTV worldwide. This collaboration with MTV allowed OpenMinds to raise funds to help our community and, even more importantly, to raise much needed awareness of our cause throughout Lebanon.

Research data from the post-pandemic era has revealed heightened concerns about global population well-being, surpassing those observed during the pandemic itself. This situation is exacerbated by Lebanon's ongoing struggles stemming from unprecedented political and financial turmoil, which place an extra burden on its already struggling population. Many studies emphasize that young adults (aged 18-24) have been the most affected.

In these challenging circumstances, the President Club's board members have decided to focus their efforts on enhancing the well-being of AUB students on campus by collaborating closely with the Office of Student Affairs. The club's long-term objective is grounded in a desire to unleash students' highest potential and to plant the seed of their future success as active members of the Lebanese population. The goal is to foster student well-being on campus while also revealing to these students the opportunities that Lebanon still holds.

The board of the President's Club is committed to doing everything it can to instill hope in the new generation, to ignite their drive to contribute to their homeland, and to empower them to make a lasting difference across the social, economic, cultural, and political fabrics in the country.

With this outlook in mind, the President Club's leadership has established committees dedicated to taking action, nurturing, and fundraising to fulfil these objectives.

The Sickle Cell Needed Patients Fund was established in 2012 by a group of committed volunteers, donors, doctors, and healthcare providers to raise funds so that financially disadvantaged patients can benefit from the state-of-the-art care that the AUB Medical Center provides to all patients. The fund has helped the families of 500 patients since it was established in 2012, including 200 patient families in 2022-23.

The Sickle Cell Disease (SCD) program continued to provide lifespan care for children and young adults with sickle cell disease. The team, provides a range of multidisciplinary services including genetic testing, genetic counseling, and specialized transcranial Doppler, in collaboration with the pediatric cardiology team and the general pediatrics team.

The fund organized three fundraising activities last year: a broadcast of the movie *Costabrava* on a special evening in August 2022; a gala dinner at the Phoenicia on May 27, 2023; and a fundraising lunch hosted by Mrs. Chahnaz Abdallah Bohsali and Mr. Samer Bohsali at their Laklouk 1808 guesthouse on July 2, 2023.

Media and TV host Mrs. Chahnaz Abdallah Bohsali also prepared and produced a video, in collaboration with MTV, as part of a national awareness campaign on sickle cell disease. It was premiered during the Shine the Light event and later on social media and on TV. Shine the Light was held, as it is every year, on the occasion of World Sickle Cell Day, on June 19, 2023 at College Hall, which was lit up in red. The event was attended by Minister of Health Dr. Firas Abiad; president of AUB Dr. Fadlo Khuri; Lebanese Order of Physicians President Dr. Joseph Bakhach; members of parliament; members of the Ministry of Health (MOH) Committee on Sickle Cell Disease; members of the AUB Faculty of Medicine and the AUB Medical Center administration; Director of the Sickle Cell Disease Program and President of the MOH Committee on Sickle Cell Disease Dr. Miguel Abboud; and members of the SCD fund and program. The event was livestreamed on AUBMC's YouTube channel. The AUB SCD program was featured in the February 2023 issue of *The Lancet Haematology* as a model for healthcare provision in humanitarian settings and adaptation at times of crisis.

THE SICKLE CELL NEEDED PATIENTS FUND IS AFFILIATED WITH THE AUBMC DEPARTMENT OF PEDIATRICS AND ADOLESCENT MEDICINE; DR. MIGUEL ABBOD, DEPARTMENT CHAIRMAN. THE OFFICE OF DEVELOPMENT LIAISON IS WALID KATERGI, ASSOCIATE VICE PRESIDENT FOR DEVELOPMENT.

For the past 41 years, the Society of the Friends of the AUB Museum, which now counts 183 members, has been organizing and sponsoring activities and events to promote and disseminate knowledge of Lebanese and Near Eastern heritage.

Recent years have been challenging with the 2019-20 civil demonstrations followed by the COVID-19 pandemic, the economic and financial collapse, and continuing with the August 4, 2020, Beirut port explosion. Through it all, the AUB Archaeological Museum, under the auspices of curator Nadine Panayot, an associate professor of practice at AUB's Department of History and Archaeology, and with the support of the Society of the Friends of the AUB Museum, has taken on the challenges of the new reality through a series of initiatives designed to engage and even augment the museum's dedicated constituency.

The society continued to hold monthly meetings and to explore a range of strategies to promote the museum and showcase its priceless collection.

### Shattered and Restored Glass Collection

With the support of the International Alliance for the Protection of Heritage in Conflict Areas (ALIPH) and the French Institut national du patrimoine (INP), the AUB Archaeological Museum has restored a precious glass collection that was damaged by the August 4, 2020, explosion. A series of campaigns were conducted for the restoration of the broken glass vessels and collaborations were taken for extensive studies:

- 26 out of 72 broken glass vessels were pieced back together and restored indoors at the AUB Archaeological Museum by Claire Cuyaubère, INP glass conservator; Cécile Rodier, INP intern; and Stephen Koob, who retired from his position as chief conservator of the Corning Museum of Glass in New York in 2020.
- Eight broken vessels were restored at the British Museum Lab and were exhibited at the British Museum in "Asahi Shimbun Displays in Room 3" as "Shattered Glass of Beirut," August 25 – October 23, 2022.

### Lecture Series and Collaborations

The society organized the following in-person lectures:

- "Women's Veil from Antiquity to Present Days" on December 14, 2022, by Hana Al-Banna-Chidiac, head of the North Africa and Near East Heritage Unit and the Collections Department, at the Quai Branly – Jacques Chirac Museum.
- "Byblos at Leiden; The Story of the Exhibition" on January 18, 2023, by Tania Zaven, regional director of North Mount Lebanon and Byblos site director at the Ministry of Culture/Directorate General of Antiquities.
- "Héliopolis La Ville du Soleil" on February 22, 2023 by Amélie D'Arschot.
- The AUB Archaeological Museum & the Embassy of Spain in Lebanon organized a lecture entitled "The Lebanese-Spanish-Polish Excavations at the Acropolis of Tyre" by Dr. Francisco Jesús Núñez Calvo in collaboration with Dr. Ali Badawi (DGA in South Lebanon) on June 19, 2023.

### Children's Program

The Children's Program hosted two very successful events:

- "Phoenician Trade" on January 22, 2023. Children watched a short movie made for the AUB Archaeological Museum by the National Museum of Antiquities, Leiden, in the Netherlands, based on its exhibition, "Byblos - The World's Most Ancient Port," which included 13 items on loan from the AUB Archaeological Museum collection. The children then worked with clay, beads, felt, and other materials to create their own Phoenician masterpieces to barter and sell throughout the Mediterranean Phoenician trade routes they had explored in the museum's Phoenician section.
- "Revolution is Evolution" on April 30, 2023. A remarkable event inspired by artist Azza Abou Rebieh's exhibition at the AUB Archaeological Museum. The artist graced the occasion with her presence giving the children an opportunity to understand the creative process while exploring her exhibition at the museum. The children were then invited to paint their own revolution.

### Trips Program

The AUB Archaeological Museum organized a guided tour of "Anfeh's layered heritage" on November 12, 2022. Several sites were visited including Saydet el-Rih, the seaside transformed as a blue and white Santorini-style beach, the rocky promontory known as Ras al Qalaat, the first cut moat on the promontory, and the olive presses. Two presentations by Dr. Nadine Panayot and Dr. Patricia Antaki highlighted the importance of Anfeh's heritage.

### Curator's Picks

Through the Curator's Picks virtual series (57 handpicked articles shared between April 11, 2022, and June 27, 2023), new archaeological findings, global museum news, and adaptations of new technologies to digitize collections, Dr. Panayot has demonstrated how and why museums worldwide are challenged to act responsibly by decolonizing their institutions, shifting their narratives, undertaking repatriation processes when deemed necessary and vital, while embracing sustainability and inclusivity and playing a restorative and healing role.

### Exhibitions

- **"Shattered Glass of Beirut,"** August 25 – October 23, 2022 at the British Museum in "Asahi Shimbun Displays in Room 3."
- The AUB Archaeological Museum participated in the exhibition, "Byblos – The World's Most Ancient Port," which ran October 14, 2022 – March 12, 2023 at the National Museum of Antiquities (RMO), Leiden, the Netherlands.
- "From Oppression to Liberation, The Journey of Women in an Aching Middle East," an installation of selected works by Azza Abou Rebieh, March 8 – April 30, 2023.

### International Women's Day

In partnership with the Asfari Institute for Civil Society and Citizenship, the MEPI program, and the AUB University Libraries, the AUB Archaeological Museum celebrated International Women's Day with an exhibition entitled "From Oppression to Liberation, The Journey of Women in an Aching Middle East," an installation of selected works by talented artist Azza Abou Rebieh, curated in collaboration with Saleh Barakat Gallery and Majaz Gallery.

### International Museum Day

On the occasion of International Museum Day, May 24, 2023, the AUB Archaeological Museum celebrated the theme "Sustainability and Well-being" with the homecoming and installation of eight restored glass vessels during the event entitled "Shattered & Restored."

### Beirut Book Fair

On the occasion of the Beirut Book Fair, the AUB Archaeological Museum hosted

a reading from "Dernière Oasis" by Charif Majdalani on October 27, 2022, under the direction of Lina Abyad with the participation of Nadim Chammas.

### Christmas Event 2023

An open house was organized at the AUB Archaeological Museum Shop, December 14-16, 2022, with shopping through December 2022.

### Update of the 360° Tour of the Museum

This update includes the shattered glass showcase, adding some of the 3D reconstructions of the broken glass vessels, highlighting the various hidden stories artifacts.

Memberships and several of the activities described above help to support and enhance the museum. You can read more about the museum and its activities in the very attractive online newsletter, on the museum's website, and on social media:

## WOMEN'S AUXILIARY VOLUNTEERS

The Women's Auxiliary of the AUB Medical Center is staffed by dedicated volunteers. They are passionately committed to meet the goals of the Women's Auxiliary, namely supporting patients with financial need and the nursing profession.

The Women's Auxiliary resumed its work in MONTH YEAR following a two-year closure resulting from the COVID-19 pandemic. Even during the closure, the Women's Auxiliary continued to donate money from its savings to support patients in need. Unfortunately, it is not able to withdraw its funds from the bank because of the financial situation in the country.

The group's two primary activities in 2022-23 were the coffee shop and the Bargain Box. The coffee shop operates from 8:30 am to 3:00 pm, Monday through Friday except on official holidays. It serves breakfast and lunch to the AUBMC community and visitors. The proceeds support adult patients at the medical center with financial need. The Nabila Firzli Emergency fund supports the emergency room patients in need.

The Bargain Box, which sells donations of gently used clothes, books, toys, home accessories, etc., is open on Tuesdays and Fridays from 9:00 am to 12:00 pm. (There are discussions about opening the Bargain Box on an additional day in the future.) Its proceeds support pediatric patients in need.

To promote community relations, the Women's Auxiliary is planning excursions, a reception for volunteers, a Christmas lunch, a fundraising lunch, and the traditional end-of-year Toy Tea Party at Marquand House, the president's home on the AUB campus, in 2023-24.

Since its founding in December 2004, the Zaki Nassif Program for Music (ZNPM) has steadily grown, taking on additional responsibilities as part of its commitment to preserve and promote the musical heritage of Zaki Nassif and his contemporaries. Through regularly organized concerts, conferences, and competitions, the program has introduced younger generations to Lebanese and Oriental music styles, particularly that of the golden era (1950-75).

The promotion of music from national iconic figures has had a considerable impact on the collective consciousness of young people. Zaki Nassif Program concerts attract large and enthusiastic audiences of all ages. Although the program's activities were reduced between October 2019 and fall 2021 because of the economic situation in Lebanon and the pandemic, the program began to organize a series of events in 2021-22 and resume its annual festival, "Remembering and Discovering," in 2022-23 after in-person teaching resumed at AUB in October 2021.

The following activities took place between July 2022 and June 2023:

#### A. Concerts by the AUB Zaki Nassif Ensemble for Arabic Music, under the baton of Maestro Fady Yaacoub:

#### D. Music Course offerings at AUB's Continuing Education Center

Thanks to the Ali Ghandour Endowment Fund (AGF) and with support from the Provost's Office, two courses on "Oriental Music Ensemble Practice" were offered in spring 2023. These courses are part of the music curriculum at the AUB Continuing Education Center that enable students to earn certificates and diplomas in music practice. Maestro Fady Yaacoub offered one of the courses to a group of 10 students, primarily AUB students; Ms. Manal Bou Malhab offered two sessions of the second course to a total of 24 students. The final assessments included a well attended concert that took place on July 15 in Bathish Auditorium.

# WAAAUB CHAPTERS, BRANCHES, AND ALUMNI GROUPS

The Worldwide Alumni Association of AUB (WAAAUB) is the university's global alumni organization. Its 67 chapters in 26 countries around the world work closely with AUB's Office of Alumni Relations in Beirut and North America to support the university and its alumni, helping to nurture a relationship that the university treasures. In 2022-23, AUB welcomed two new alumni chapters: the Biomedical Sciences Chapter and the Pacific Northwest Chapter.

Alumni chapters are active throughout the year – organizing activities and events to keep alumni engaged and informed about their alma matter. They also support initiatives organized by the Alumni Relations Office such as the AUB4Beirut Run, AUBCares, the Alumni Mentoring Platform, and the AUB Career Hub. Alumni chapters played a critical role in the success of Giving Day 2022, which attracted support from 1,151 alumni and friends in 61 countries in six continents.

The members of the WAAAUB Advisory Board (listed below) provide counsel and support to the university and the president in efforts to lead and promote positive alumni relations and nurture an alumni community that is active, engaged, and inspired to maintain lifelong relationships with AUB.

## AUB4BEIRUT RUN 2022

AUB4Beirut Run 2022 took place on September 16-18, 2022, in dozens of locations in 16 countries around the world. Almost 600 alumni, family, and friends took part raising more than \$80,000 for AUB priorities, including student scholarships and patients seeking care at the AUB Medical Center. “What’s really special about the AUB4Beirut Run,” said Associate Vice President for Alumni Relations-North America and General Secretary of WAAAUB Lina Jazi, “is knowing that you are taking part in a global event of alumni and friends coming together to support our alma mater – and our Beirut.”

A record number of 33 Worldwide Alumni Association of the American University of Beirut (WAAAUB) chapters participated in 2022 by organizing 36 chapter runs. Associate Vice President for Development, Alumni Relations, and University Events Salma Oueida, who participated in the AUB Advancement Team Beirut Run on the AUB campus on Friday, September 16, applauded “our wonderful alumni chapters that responded so enthusiastically and in such great numbers to support AUB4BeirutRun 2022.”

The New England Chapter was especially successful raising more than \$17,000 for its recently established WAAAUB New England Chapter Needy Patient Fund. The chapter’s efforts were aided by alumna and chapter member Amale Hawi (BS Chemistry ’75, MS Chemistry ’78), who was the top fundraiser in 2022 raising more than \$8,000. Chapters outside North America also attracted record support including the Jordan Chapter and the Australia Chapter. The chapters in Australia, Turkey, Upstate New York, Switzerland, South Florida, Paris, Oman, Qatar, and Ivory Coast participated in the run for the first time. The alumni chapters in North Carolina, Atlanta, Cyprus, Germany, Montreal, and the Health Sciences Chapter have participated in each of the three AUB4Beirut Runs that have been organized so far.

## AUB NORTH AMERICAN ALUMNI CONFERENCE

The AUB North American Alumni Conference took place in Boston, Massachusetts, on September 30-October 2, 2022. It was hosted by the WAAAUB New England Chapter. The three-day gathering featured insightful panel discussions focused on the global perspective of healthcare in the 21<sup>st</sup> century and the challenges at the AUB Medical Center. More than 200 alumni, distinguished guests, and friends attended the conference that raised around \$95,000.

Among the highlights of the conference were inspiring keynote addresses by Dr. P. Roy Vagelos, former president, chief executive officer, and chairman of Merck & Co.; Dr. Peter Hotez, dean of the National School of Tropical Medicine and professor of pediatrics and molecular virology and microbiology at Baylor College of Medicine; and AUB President Fadlo R. Khuri, MD. During a ceremony on October 1, 2022, President Khuri presented Dr. Vagelos with an Honorary Doctorate of Humane Letters, "our university's highest accolade."

Reflecting on the event, President Khuri commented, "I will never forget this weekend when many generations of AUB students, graduates, and faculty gathered with their friends and colleagues."

## A TRIBUTE TO AUB MEDICAL PROFESSIONALS IN TEXAS AND LOUISIANA, IN SUPPORT OF MEDICAL STUDENTS AND THE MEDICAL CENTER

The Alumni Relations Office and the WAAAUB Houston Chapter organized “Excellence through Adversity: A tribute to AUB medical professionals in Texas and Louisiana, in support of medical students and the medical center at AUB” in Houston, Texas on March 18, 2023. It was attended by alumni, trustees, friends, and colleagues from the university including President Fadlo R. Khuri, Vice President for Medical Affairs and the Raja N. Khuri Dean of the Faculty of Medicine Raymond Sawaya, and Senior Vice President Imad B. Baalbaki.

Seventy-four medical AUB alumni in Texas, Louisiana, Florida, and Ohio were honored during the evening, which featured addresses by President Fadlo R. Khuri, VP and Dean Raymond Sawaya, and Trustees Huda and William Zoghbi; and musical performances by the Virtuosi of Houston Quartet and the Texas Medical Center Orchestra Quartet, which is made up primarily of health professionals. Lina Jazi (BS '89), associate vice president for alumni relations - North America and general secretary of WAAAUB, AUB's global alumni association, described the honorees as “medicine's moral compass, who continue to excel, even through adversity. Your strength lies not only in your expertise,” she continued, “but also in your values. These are the same values that define our university and its medical center – and that we, as alumni, uphold and cherish.”

More than \$1.5 million was contributed by alumni and friends in the days leading up to and during the fundraising appeal, which took place during the gala and was led by Johnny (Bravo) Holloway. Jazi, who chaired the Houston Gala Organizing Committee, praised the efforts of the Houston Chapter Leadership Committee. “We could not have done it without them,” she said. “I also want to give a ‘shout out’ to the extraordinary community in Houston, which came together – as I knew it would – to support our alma mater during these very difficult times.”

Thousands of alumni, friends, and their families attended Class Reunion 2023 on July 6-8, 2023. “The class reunions that we organize on campus each year are all about connections,” explained Associate Vice President for Development, Alumni Relations, and University Events Salma Dannawi Oueida. “These connections include what President Khuri has called ‘the ties that bind’ alumni to their alma mater and also the connections that link alumni to each other – and to current and future students. What we do during Reunion is to nurture and celebrate these impactful and meaningful connections.”

Class Reunion 2023 began with the Honoring Ceremony on July 6 during which the university paid tribute to alumni who graduated more than 55 years ago; to the members of the Class of 1973, celebrating their 50th graduation anniversary; and to the members of the Class of 1998, celebrating their 25th graduation anniversary. Oueida warmly welcomed all celebrating alumni, highlighting the significance of their contributions in shaping the AUB legacy. She remarked, “This reunion is not just about the buildings and structures that surround us, but about all of you who have filled these halls with dreams, ambition, and the pursuit of knowledge.” She added, “You have shaped the fabric of AUB and its legacy, and for that, we are grateful... Together, we can inspire greatness, change lives, and forge new paths for those who will follow in our footsteps.”

During his address at the Honoring Ceremony, President Fadlo R. Khuri said, “When we honor you, we also honor our university and the power of the connection that we share that transcends not only years, but great geographic distances.” He added, “Every one of you, from Africa, Asia, the Americas, Australia, Europe, know that you carry within you, like the seeds of the immortal Cedar, the confidence, ability, know-how, and desire to make a difference not only where you are planted, but in your ancestral lands, where your roots run deepest.”

Dr. Boushra Jabre (BA '65), who spoke on behalf of alumni celebrating a more-than-55-year graduation anniversary, lauded the impact of the AUB experience on her life – and the lives of other alumni. “No one can deny the seeds that AUB planted in us all: acceptance of others, tolerance and respect for differences and the pursuit of education and achievement,” she said. In his remarks, Class of 1973 keynote speaker HE Roger Dib (BEN '73) called on his classmates, who were celebrating their 50th graduation anniversary, to “channel the resilience forged through adversity and work towards rebuilding bridges, fostering dialogue, and creating an environment that embraces tolerance, diversity, innovation, and collaboration.” Akram Okeily (BS '98, EMBA '10), who spoke on behalf of the Class of 1998 celebrating its 25th graduation anniversary, credited the university’s “rigorous curriculum, expert faculty, diverse student body, unwavering commitment to excellence, and deep-rooted sense of community and social responsibility” for laying the foundation for his success as the founder and manager of Okeili&co.

Following the Honoring Ceremony, Rodge took the stage on the Green Oval for “An Electric Night.” In addition to enjoying a stunning performance, attendees were also able to support student scholarships by participating in a tombola for more than 300 prizes offered by more than 50 supporters and friends of AUB. It was a wonderful end to a very special day.

There was a full agenda of activities on July 7 including visits to the AUB library, tours of the AUB Museum, and ending with “A Musical Journey with Ziad Bourji,” also on the Green Oval, which featured an eclectic mix of music.

On the last day, Saturday, July 8, alumni and their families enjoyed outings to either the Shouf Cedar Reserve or Jeita Grotto where they spent a fun day touring and sightseeing before savoring some delicious Lebanese food.

Donations from celebrating alumni, ticket sales to the evening events on July 6 and July 7, and reunion sponsorships (listed below) benefited the Class Reunion Endowed Scholarship Fund, which is now valued at more than \$700,000. Proceeds from this endowed scholarship fund have been used to award 18 scholarships to AUB students who are the children of AUB alumni and require financial assistance.
